Nine Cranbrook students are semi-finalists in the 1959-60 National Merit Scholarship competition. Mitchell Grayson, John Hartman, Tom Jones, James Walker, Stewart Colton, Tim Casey, Charles Kuchinski, Ted Buhl and Eric Chester scored over 550,000 competitors and set a record for Cranbrook.

Cranbrook is already making plans for the Homecoming Day on Saturday, Oct. 31. Alumni Secretary Carl Melain, Jr., '43, is chairman of the Homecoming committee.

AS IS THE custom, each of the day boy and boarding houses will construct some sort of display to be set up in a locality convenient for returning alumni and friends of the school.

The visitors will be free to explore as they please and a reception will be held in the auditorium following the athletic contests. The boarding houses have each elected members for social and discipline committees which will be in effect the fall term.

THE SOCIAL committees of each house provide house parties

Barnum Junior High's two football teams have started off very well this year, holding both first and third places in the standings.

WITH THEIR strength and team cooperation, they are a very strong prospect for the coming all-star game in which athletes from Groves and Derby will participate. After several years without one, Barnum is getting a science club and informal gatherings for additional entertainment. The discipline committees enforce the rules and punish any offenders.

The Detroit Free Press has presented Cranbrook's debating team with an award signifying excellence in debate. In a morning assembly, John Hartman, captain of the team, presented an impressive plaque to Headmaster Hoey.

During the past school year Cranbrook qualified to compete in regional competition and placed second in the Inter Lakes League. The debaters are enthusiastic about this year's topic: "Resolved: That the federal government should substantially increase its regulations of labor unions."
