

Practically all religions declare the existence of Divine Providence . . . Maker of the earth and the heavens and the whole of All, including man. When in need of the supporting ministrations of Deity, should not mankind assert its belief and faith in the availability of God's loving help? Ah, this is the greatest challenge in life: to acquire itself with God!

SPEAKING OF BEAUTY

donnell says:

I Can't Do Anything with My Hair! See how dry it is . . . or how oily. See how the curl droops just hours after it's been set. And the washed-out shade is so discouraging. Why is it other women are so lucky? Chances are, it isn't luck that gives your most attractive friends a young, vital look.

expensive as you might think! Today modern hair pharmaceuticals act fast. We apply them in moments, yet their beneficial effects are surprisingly lasting.

Today almost every truly smart woman is a regular beauty shop patron. You see, she's found that professional hairdressers usually have the right answer for "problem hair!"

The Wrong Cut Won't "Comb" That's right. Unless your hair has been properly shaped, you're bound to have difficulty when you try to comb it into place! All the hair spray in the world won't make a pretty "do," unless you've started with a professional haircut. Come in, you'll see why!

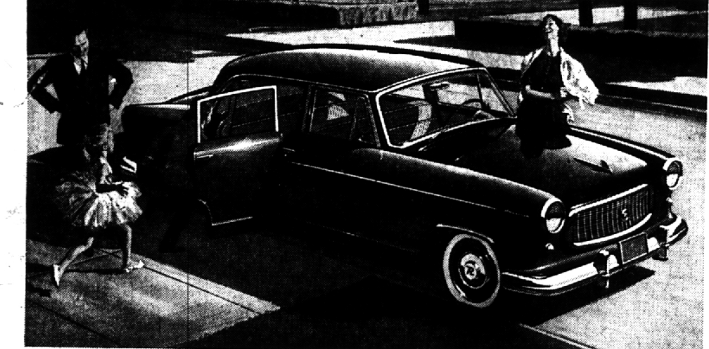

What Can We Do For You? First of all, we'll analyze your hair. Then we'll treat your hair troubles as carefully as your own family physician might care for muscular aches.
