THE ORIGINAL  
**ALLEN-A INSULAIRE\***

**NAVY'S AMAZING NEW  
ARCTIC FABRIC NOW IN  
ALLEN-A INSULAIRE® UNDERWEAR  
(THERMAL UNDERWEAR)**

PERFECT COMFORT FOR EVERYONE WHO WORKS  
OR PLAYS IN CHILLING TEMPERATURES

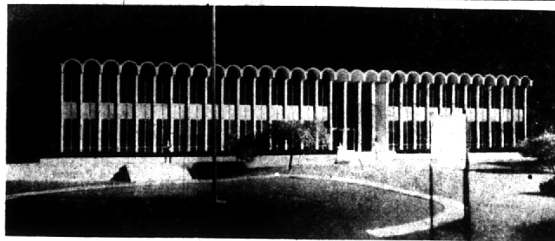

The Navy needed a wonder-fabric warm enough for far-below-zero weather, yet unusually absorbent so it could be worn in doors or in mild weather without sweating. And 100% laundry-foot-proof.

Here's the fabric they developed—in well-made shirts and drawers especially designed for active men and women. Now you can shed extra layers of bulky, heavy outer clothing

—dress lighter, have more freedom.  
This new fabric is made of down-soft cotton (doesn't itch), knitted in unique 3-dimension pattern. Traps body-heat in thousands of tiny "pockets" for perfect insulation.  
Rigorously tested for warmth in arctic conditions. Can be machine-washed, tumble-dried. These garments won't shrink out of size or stretch out of shape.

# BUSINESS BRIEFS

## New Medical Society Building

The Michigan State Medical Society is constructing a new headquarters building at East Lansing to provide expanded service to the public and the medical profession. The handsome two-story building, with two executive offices and meeting facilities, has been designed by Minoru Yamasaki, Birmingham, one of today's noted architects. The building will be completed next June with official dedication set for next fall. The cornerstone ceremony was held last week.

## Name Lape Assistant Director

Edward L. Lape, 2700 Broadway, Birmingham, today was named assistant director of the service section of General Motors, in charge of parts distribution, by William F. Huftader, GM vice-president in charge of distribution staff.

Lape, whose appointment is effective immediately, succeeds Walter G. Morris, who died September 8.

LAPE HAD been with the United Motors service division of General Motors since May 1, 1952, serving as operations director, general sales manager, assistant general sales manager and general merchandising manager.

He joined GM as a messenger-stock clerk with Chevrolet in Cincinnati on June 15, 1926. He was with Chevrolet from 1929 until October, 1946, when he was assigned to GM's central office, Detroit. He held various executive assignments pertaining to warehousing, merchandising and distribution.

Lape was born September 17, 1896, at Newport, Kentucky, and attended Newport public school. He enrolled in a business administration course at Cincinnati and later took a University of Indiana extension course.

## New Supervisor

Edward J. Woods, 16173 Marguerite, Beverly Hills, has been named art and production supervisor for Clark & Bobertz, Inc., Detroit and Cleveland advertising, marketing and public relations agency. He fills the vacancy created by the retirement of William F. Dalquist, vice-president, who headed the department since the beginning of the agency more than 15 years ago. Dalquist spent 42 years in the advertising and graphic arts fields. Woods has been identified with agency art and production supervision since 1938. He formerly was art coordinator with Ross Roy, Inc.

## Purdy Opens CPA Office

Clare K. Purdy, 636 E. Lincoln, a native of Birmingham, has opened an office for practice as a certified public accountant.

For the past ten years he was affiliated with Sovell, Wellington & Company, a national firm of certified public accountants and management consultants.

HE WAS STAFF snovewior with that firm and specialized the last three years in management services work. He is a member of the American Institute and the Michigan Association of Certified Public Accountants, as well as the National Association of Accountants.

He received his degree in 1918 from Ferris Institute. Until he locates permanent office quarters, Purdy will work out of his residence.

From where I sit... by Joe Marsh

## Tiny Gets His "Licks"

Our Police Chief, Tiny Fields, started an "anti-jay-walking" drive for the kids on Monday. It ended the same day.

Tiny's idea was basically good. He got a few dozen green lollipops and stood on the corner, across the street from the grade school. As the kids came out and crossed the street with the green light, he'd give each a green lollipop.

Trouble was, when the kids spotted the candy, they made a beeline for Tiny, ignoring the light... running helter-skelter across the street. Tiny quickly

had to abandon his project. From where I sit, we can call profit from Tiny's experience: "Think through" your good intentions before you "follow through" with them. But don't let that stop you from giving really good intentions, like tolerance, the "green light." Respect all the rights of a neighbor... even his right to enjoy his favorite beverage. Whether a man chooses beer or milk—it's his choice to make, and our job to respect it.

Joe Marsh

# Another fresh one...from Pontiac!

The 1960 Catalina Convertible

You find it attractive because of the simplicity of lines, the absence of over-design.

You're drawn to its crisp freedom, its perfect form, its exhilarating freshness.

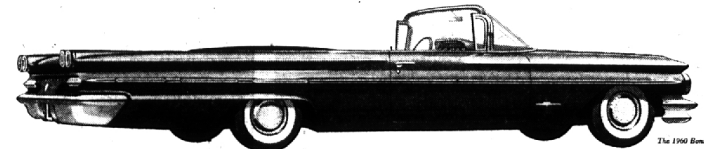

You'll find it amiably obedient because of Wide-Track Wheels and a thoroughly new suspension system. Wide-Track firms the foundation, stabilizes, balances. A softer suspension makes it responsive, quick and easy to take direction.

Pontiac's Tempest engines for 1960 are more vigorous

than ever. You have a wide choice of V-8 power packages, ranging from the high performance 425 to the economical 423E which prefers regular grade gasoline.

The car, the keys, the catalog, the courtesy—all await you at your Pontiac dealer.

**Wide-Track Wheels** give you swiftest stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.
