

# CLIP OUT...AND SAVE!

Each of the coupons below will help you remember what's being done with your Torch Drive dollars. There's almost no trouble or problem or disease or disaster which can't be eased or eliminated by one or the other of the United Foundation's 195 organizations . . . spending your money with wisdom, compassion and experience. No one is too sick or too poor or too big or too rich to get the help he needs.

## GOOD FOR A MEASURE OF HOPE

The most precious gift of all. Your dollars pay for the ceaseless research which finds new ways to rescue lives from disease.

*To share is to care*

## GOOD FOR A STEP FORWARD

Children who are unwanted today . . . are often wanted tomorrow. Rescue them now from their juvenile jungles.

*To share is to care*

## GOOD FOR A WINDOW TO THE WORLD

Bring light into the darkest of nights. Through training and teaching and care, the blind can live actively and usefully. Leader dogs help, too.

*To share is to care*

## GOOD FOR ONE SAVED LIFE

Rejuvenate muscles withered by disease. Therapy can teach them to work and walk again. For the disabled, artificial limbs.

*To share is to care*

## GOOD FOR A FAMILY CIRCLE

Keep a broken family together. Families are precious things. Often they need your help to withstand sickness, poverty, trouble.

*To share is to care*

## GOOD FOR THE SOUNDS OF LIVING

You can help shatter the shells of silence. Through instruction, care, training, you can fill silent lives with the music of living.

*To share is to care*

## GOOD FOR ONE USEFUL MIND

Skilled, sympathetic probing finds out why minds go blank or fearful or vicious. Your help can bring sick minds back to useful health.

*To share is to care*

## GOOD FOR YOU

Every dollar you give does more than help the sick and the poor. It builds the protective barrier that much higher around you.

*To share is to care*

## GOOD FOR SELF- RESPECT

An inherent right that's sometimes squandered on drink or narcotics. Only you can help guide a loser toward finding it again.

*To share is to care*

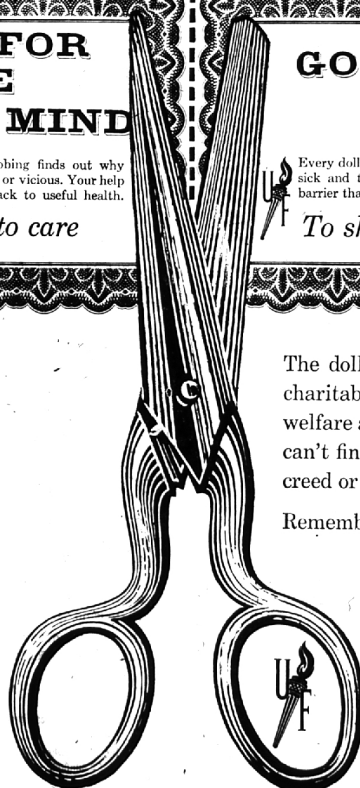

The dollars you give to this 11th annual Torch Drive are portioned out to 195 charitable organizations . . . the most complete and functional group of health and welfare agencies in the world. There are few problems of body, mind or spirit which can't find sympathy, selflessness and solution . . . given freely, to all, of any race, creed or color . . . with no question of reward.

Remember this when the Torch Drive worker comes to you. Give your fair share.

*To share is to care...  
Give once for all*
