

### "Anything You Can Do"

WALNUT LAKE—Man's best friend looks a little apprehensive as Jamie Russell, 5785 Eastman, Roger Nelson, 5740 Eastman, and Roy Russell play a game of follow-the-leader on a wall near their Walnut Lake homes.

### Coop Nursery Opens Season

WEST BLOOMFIELD — The Mayfair Cooperative nursery, 3229 Middlebelt, started its fifth year this month as it opened its doors to 60 pre-school children. Children ranging from three to four and a half years old are divided into three groups taught by Mrs. Jane Fagan and Mrs. Mary Pascoe. Further information about the Mayfair Nursery may be obtained by calling the membership chairman, Mrs. John Ferry, 3140 Dohany, Farmington.

### College-Bound Scouts Honored by Troop

WALNUT LAKE—Senior Girl Scout members of troop 360 entertained three of their members who left recently to enter college. The swimming party and beach cook-out was held at the home of their leader, Mrs. Julian Ofenstein, of Putnam drive.

Girls honored were Joan Trout, who has enrolled at Central Michigan college, Kay Gruber who will attend MSU-Oakland, and Margaret Roberts who will study at Oberlin college.

The girls were surprised and delighted with the introduction of a new member to the troop, Gloria Mendoza an American Field Service exchange student from the Philippines who is now attending Birmingham high school. Mrs. James Roberts is assistant leader of the group.

The next regular meeting of the Walnut Lake Men's club will be held Friday at 9 p.m. at the clubhouse. Plans for future social activities will be discussed.

Jo Ofenstein who will become the bride of Charles Gray, of Albertville, Ala., on Oct. 16, was honored at a linen shower recently at the home of Mrs. Chris Peterson, of Detroit. Others attending the party from the Walnut Lake area were Jo's mother, Mrs. Julian Ofenstein and her paternal grandmother, Mrs. August Ofenstein.

Tuesday Jo was the guest of honor at a miscellaneous shower given by Mrs. James Hutchinson and Mrs. Eugene Lama at the Hutchinson home in Birmingham. Jo and her mother returned recently from a ten-day visit with Charles' parents, Mr. and Mrs. Otto Gray of Albertville, Ala.

Mrs. E. J. Monteith, of Old Or-

### Girl Scouts Plan Meeting

LATHRUP — The Lathrup Girl Scout neighborhood meeting will be held 7-9 p.m. Monday at the Community Congregational church, 114 E. Main and Southfield. Troop committee mothers are also invited.

Girl Scout meetings will be held beginning Sept. 28. All scouts will be contacted by their leaders.

Names of first year Brownies must be called in to Mrs. John Coup, 18755 Saratoga. There is a waiting list.

Brownies, intermediate and senior transfers should contact Mrs. Cameron J. Beck, 17555 Cambridge road.

The Lathrup boundaries are 10 1/2 Mile road, to 12 Mile, Evergreen to Spring Arbor.

### Fluoride Program Discussion Stated By Southfield PTA

SOUTHFIELD—A discussion on the fluoride program in the Southfield schools will be the highlight of the August Road PTA meeting at 8 p.m. today.

Kenneth Carakostas, president of the association, will seek approval of the proposed 1959-60 program and budget which have been formulated by the PTA board. Parents will have an opportunity to meet the school faculty at a "Meet the Teacher" program.

### Couple Attends Meet

SOUTHFIELD — Mr. and Mrs. Frank J. Russett, Jr., of Southfield, were among the parents and professional persons who met recently at Michigan State university for the eighth annual meeting of the Michigan Association for Retarded Children. They represented the Fort Custer Parents' association.

With them were daughters, Mary and Margaret who will leave this week for Oberlin college, where Margaret will enter as a freshman and Mary will return for her sophomore year.

The first fall meeting of the Walnut Lake PTA will be held in the multi-purpose room at the school, at 8 p.m. Monday, with the primary purpose of "getting acquainted".

Principal Albert Schumm will introduce the new teachers to the parents and explain the year's school program. All room mothers will be introduced and the budget will be presented for approval.

Mr. and Mrs. Dale Brubaker of N. Clunbury road.

BLOOMFIELD ACRES — Mr. and Mrs. Otto Eckerle and daughter Janine have returned from a trip to northern Michigan. They crossed Mackinaw bridge, went on to the Soo and visited Tahquamenon Falls before returning to their Maple Road home.

## Lathrup

Cranbrook Village

### Local Man Named Regional Chairman For Michigan Week

LATHRUP—Thomas B. Adams, 18545 Wilshire, Lathrup, president of the General Telephone co. of Muskegon who is general chairman of the seventh annual state celebration to be held May 15-21.

Announcement of his selection was made by T. Austin Saunders, president of the General Telephone co. of Muskegon who is general chairman of the seventh annual state celebration to be held May 15-21.

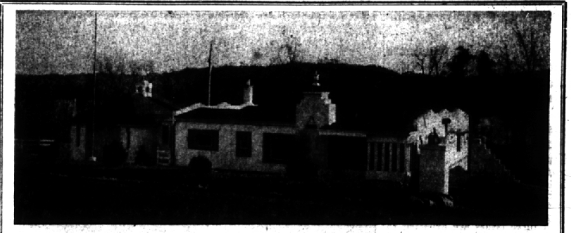

Adams has been with the Campbell-Ewald co. since 1944. A graduate of Wayne State university he assumed leadership of Campbell-Ewald accounts, administrative operations, new business activities and personnel recruitment in 1956.

### Propose Renaming Southfield 10

SOUTHFIELD—Southfield 10 school's name should be changed, school board members decided Monday night. The board accepted the offer of PTA Council president Mrs. John Bodnar to have the Southfield 10 area residents and parents queried on whether they would like to rename the school. The school's present name derives from the name of the small school district in which the building was formerly located.

### Have You Met . . .

Foxcroft newcomers, Mr. and Mrs. Andrew L. Fuller of Cranbrook? They formerly lived in Royal Oak. Fuller is sales manager for Detroit Controls Corp. They have three children, Ray, Winter, 17, a senior at Bloomfield Hills high school, Vicki, 8, who attends Wing Lake school and Diane, 21 months.

Located in the beautiful Franklin Woods area, each home is designed to fit in the hills and among the stately trees that give them the charm and beauty that the discriminating person is looking for.

To further complement these GAS Research homes, the builder selected "Stored Sunshine," natural gas, to operate the many time and labor-saving appliances; including gas heat—to make living in these homes more comfortable and more economical!

NOW READY

After 2 Years of Planning

Gas Research BETTER LIVING MODEL HOMES

Here you will find the grace and charm of yesterday combined with modern design for better living

GAS IS MODERN, CLEAN, DEPENDABLE, FAST, SILENT AND AUTOMATIC

**Gas for Home Heating**

GAS heating means constant comfort all through the house. It's clean too—no problems with ash removal or fuel deliveries.

**Gas for Water Heating**

GAS water heaters guarantee plenty of hot water for all household needs. Heats water faster; replaces used hot water more quickly.

**Gas for Refrigeration**

GAS refrigerators make ice trays obsolete, pop ice cubes almost into your glass. No moving parts—no noise—nothing to wear out.

**Gas for Cooking**

GAS, the wonder-fuel—an ideal complement to the Modern Kitchen. Sure-fire units feature the "burner with a brain," making every pot and pan an automatic appliance.

**Gas Washer-Dryer**

GAS washer-dryer DOES BOTH operations in ONE unit. This combination laundry equipment does away with washing and drying worries, automatically.

**Gas for Incineration**

GAS incinerators take care of ALL combustible materials. Gets rid of both garbage and burnable trash, night or day, night or day, regardless of weather.

GAS DOES SO MUCH • COSTS SO LITTLE • GO MODERN—GO GAS
