GILBERT LAKE—Sunday was fun day in Glencoe Estates. They called their first family day "Glencoe Fun Day" and hope to make it an annual event. A full day of outdoor events was planned with Blandford road competing with Burnham road.

The starting event was a series of relay races for children. This was followed by a baseball game for the fathers and sons of each street.

The next competitive event was a swimming meet for boys and girls of both streets. Croquet and badminton followed and the last event was a hike and the parade.

The Glencoe Fun Day trophy was won by Burnham road. Winners and losers all enjoyed a potluck dinner which was followed by outdoor dancing at the Eric Hoenberg's. Mrs. Hoenberg was chairman of Fun Day. She was assisted by Mrs. Lawrence Dickson, Mrs. Robert Dittreich and Mrs. Farno Green.

**Getting to Know Their New School**

SOUTHFIELD—A new year, and a new school with a brand new name, makes new pupils justly proud, along with their principal, Clyde Fisher. Here he points out some of the new Alice M. Burnie school's features to seventh graders Diane Diehl, 27852 Rainbow circle, and John Myers, 19100 San Jose, both of Lathrup village. The \$1,887,590 school at 11 Mile and Evergreen almost failed to open on schedule because of lack of water supply. The problem was solved temporarily when the school board purchased a well dug by the contractor. The 1140-pupil school has 38 teaching stations and includes a multi-purpose room, shops and a gymnasium-auditorium.

**Wing Lake WNEGA Holds Garden Party**

**Residents Gather At Foxcroft Picnic**

BLOOMFIELD TOWNSHIP NORTH—Sunday's perfect weather helped make the annual Foxcroft family picnic a terrific success for the 250 residents who gathered on Crabapple Commons for an afternoon of play.

This year's bike parade was more colorful than ever and the happy prize winners were Karen Komeyn, Eddie Fead, Tom Stanford, Jean Rodger, Kathy Gadd, Ann Coughlin, Tom Tweitney and Linda, Susie and Steve Rindskopf.

New fun this year was a hoop rolling contest for adults. This was good for a few laughs—especially when one poor soul forgot her cue, fell flat on her face in the middle of the race and still managed to come in first.

Boy Scouts, Cub Scouts, Girl Scouts and Brownies assisted in serving and cleanup at the picnic supper.

Everyone from two to twenty danced until dark on the tennis courts to the hi-fi music of Foxcroft disc jockeys, Bill and Bob Coxon.

**Devon Hills**

Seeing the sights in New York was fun for Mr. and Mrs. Clifford Grovogl and their daughters, Bonnie and Barbara of North Fernberton. They spent a week seeing the big city. Highlights of the trip were a visit to a TV show and a night at the theater where they saw "Music Man."

**Bloomfield Village**

Home just long enough to gather a few belongings and leave again was Pat Berry, son of Mr. and Mrs. E. F. Berry of North Glenarry road. Pat left Sunday for his junior year at Hillsdale college after spending the summer on a hitch-hiking tour of many foreign lands.

Pat started in Vienna where he had just completed a year at the University of Vienna. He first toured Spain then hitch-hiked through French Morocco, Germany and Sweden, Copenhagen, Belgium and headed for the British Isles where he hitch-hiked his way through Ireland, Scotland, and England. Here he stopped to work a while and earn money for the voyage home.

This wasn't the only traveling

**Pat did during his year in Vienna**

Before checking in at the university he toured Europe with a group. He must have liked the nomadic life for he took the advantage of every holiday. Most of February is free in European universities so Pat did not miss a moment of his Middle East during that time. During the Easter holidays he saw East Berlin, Czechoslovakia and Poland.
