By MARION PATRICK

MEADOW LAKE — An interesting and exciting summer has ended for Larry Erdman, son of Mr. and Mrs. Charles Erdman of Castle Drive.

Larry has just returned from a concert tour of Europe as a member of the Michigan Choral, a mixed ensemble of 100 young singers, all high school seniors from southern Michigan.

LARRY LEFT with the group for Europe June 24 arriving in Ireland where they sang to enthusiastic audiences in Belfast and other Irish cities. Royal Tunbridge Wells in England was next on their itinerary, followed by concerts in Germany, France, Holland, Sweden and Finland.

Private homes in the cities they visited provided meals and lodging and gave the boys and girls a chance to further friendly relations with the common people in other countries.

ONE OF THE most rewarding experiences of the entire trip for

LARRY ERDMAN

Larry was his association with two Hindu students from Bombay who were studying in Stolberg, Germany.

The youngsters found the absence of television a boon to long evenings of interesting conversation, resulting in a much better understanding of the people in the countries they visited.

FOLLOWING 40 scheduled concerts and many impromptu ones, the group arrived home Sept. 1. Last Sunday, Larry joined the choir for a concert in Hill auditorium, Ann Arbor, under the auspices of the U of M University Musical Society and in cooperation with the Michigan Council of Churches.

Larry, who graduated from Bloomfield Hills high school last June, will enter MIT as a freshman in the near future.
