SECTION
D

Some may praise, yell and yammer about the wonderful gift of freedom... yet fail personally to do very much constructive work to protect and defend it. Freedom is a struggle but a state of earthly existence where in mankind is allowed to exercise his mind and might to aid in its struggle toward an Utopia. It is like the oxygen so necessary for breathing. Yet freedom can be lost.

Off the Record
 If this year holds to form, the next month will see a tremendous onrush of new records, and new hits. All the big artists, Bobby Darin, Frankie Avalon, The Everlys, The Clovers, and even Pat Boone, are coming out with new releases. Bobby Darin, I'm happy to say, has the fastest rising hit in the nation with the theme from The Three Pennys Opera, "Mack the Knife". I can safely say that no record has risen so fast so soon since "Topsy II".

Almost as hot is Frankie Avalon's "Just Ask Your Heart", and the big beat is back again, as can be heard in Freddy Cannon's "Okefenokee" and Ronnie Hawkins' "Mary Lou", also a rocker. Making a lot of noise locally is Dee Clark's hand five sound, "Hey Little Girl".

The surprise of the month! Sarah Vaughn has a hit. One must think back a few years to remember her latest hit. Some of the top ten records have been moved down slightly as a result of Bobby and Frankie's good fortunes.

MOVING UP: "I'm Gonna Get Married", Lloyd Price's third consecutive hit, "Miss Lonely Heart" by Dodie Stevens, "Mona Lisa" by Conway Twitty (the best version), "You're Gonna Miss Me" by Connie Francis, and "I Ain't Never" by the country and western star, Webb Pierce.

The record to watch next week, one that can't miss, is Ronnie Hawkins and "Mary Lou".

The Summer Splashed By For These 'Y' Swimmers

As the season comes to a close, 77 Birmingham boys and girls can testify to the success of the Y.M.C.A. experiment in teaching swimming in private pools this summer.

Six pools were used in various parts of the area and both pool owners and participants seemed to have enjoyed the experience, according to Owen Manchester, Y.M.C.A. Executive.

THE FOLLOWING children completed all their beginners tests during the eight week course:
 Kathleen Gille, 17116 Dunblaine; Sue Deborah, and Jimmie Wood, 18122 Riverside; Lucille Rhine, 17181 Locherie; Don and Ray Frazer, 30475 Vernon drive; William McMahon, 16043 Buckingham; Richard Rosemont, Devonshire; Nancy McMahon, Devonshire; Bill Spencer, 30630 Vernon; Bob and Jim Sigler, 1356 Greenlaw; Nancy Fry, 411 Golfview; Susan Turner, 1721 Winthrop; Mary Ann and Mark Morden, 917 N. IN ADDITION, several others passed onto advanced levels; Richard and Robert Reynolds, 18485 Devonshire; Steve Saxby, 18360 Devonshire; Bill Moore, Billy Hutchins, 479 Beverly; Jim Sigler, 1356 Greenlaw; and Mary Ann and Mark Morden, 917 N. Glenhurst.

Others would have passed too, Manchester explained if vacations and camp hadn't interrupted, but all showed fine progress from their starting point.

Pool owners who donated the use of their pools for one hour or more a week are: Mrs. Louise Kasco, 3793 W. Lincoln; Mrs. Thomas J. King, 503 Shirley Drive; Ralph Moore, 17330 Birchwood; Mrs. Orval Green, 16991 Beechwood; Jack Moore, 966 Woodlee; Arthur Otis, 472 Puritan.
