Where a Man is Never a Stranger!

Ever see this gentleman before?

We would guess that you haven't. And yet, we'll wager that you sense something familiar about him.

For the truth is—no man is ever wholly a stranger to those who behold him in the company of a new Cadillac car.

Dignified, impressive and substantial—it proclaims him a man of achievement. Beautiful and elegant—it announces him as a person of taste. Soundly built, economical, dependable—it indicates his practical wisdom.

To be sure, the honor which a Cadillac does its owner is

the result of the honor which owners themselves have conferred on the car for almost six decades.

For those who choose Cadillac share these qualities to such a degree that they are expected of whomever sits at its wheel.

This unique reward of Cadillac ownership comes, of course, in addition to Cadillac's merits as a motor car—its brilliant performance and ride...its remarkable quietness in operation... and its miraculous comfort and ease of handling.

Why not visit your Cadillac dealer soon? He'll see to it that ou're no longer a stranger to the 1960 "car of cars".
