Pontiac Business Institute believes in and practices the free enterprise system. The school does not depend on taxes for its support, but pays taxes as a Michigan business corporation. Many business leaders in the area in years past and today owe much of their success to opportunities that came to them because of Institute training. The school thus provides a significant service to the community at a saving to taxpayers.

He "Auto" Know Better

Should have seen the crowd come running when Cap Edwards breezed up to the Post Office in his brand-new buggy. It's one of those pint-size foreign cars with the motor in back and the trunk up front. While folks opened doors, poked upholstery and peeked under the hood, Cap went in to pick up his mail. A minute later a fellow came up to him, all out of breath. "Say, mister," he said to Cap, "better get back to your car. Somebody's opened the hood and stole your whole darn engine!"

They Had Guests

Birmingham Seaholm was host last week to the seven student governments of the Eastern Michigan league.

After a general assembly in the little theater, they divided into discussion groups and talked about the honor system, teenage customs and habits, and the effectiveness and problems of student government.

Delegates heard a panel of AFS Foreign Exchange students speak including Seaholm's Gloria Menoos and Joanne Pierre Goutard. Approximately 155 students, advisors, and guests lunched in the Maple room, and then were entertained by the Foreign Exchange students.

A business meeting followed and the EML conference trophy was presented.

At 3:00 o'clock, they departed after a round of cokes.

Close to 400 seniors are on their way for ten days of adventure, travelling through Washington and New York. Because of the large number of students going and limited space on the boat from Norfolk to Baltimore, they will be divided into two groups.

Group A will leave on Friday, April 15 and meet group B on Sunday and complete the rest of the trip together.

Mr. Hubbard is the director for the tour. Group B will visit Washington, Mt. Vernon, Alexandria, Arlington, and New York city.

Group A will also visit the preceding plus Williamsburg, Jamestown, and make a brief excursion to Annapolis.

Some of the highlights of New York that the entire group will see are the Broadway Musical "Music Man", the Radio City Music Hall, Rockefeller center, the UN building, and the planetarium.

Troopists for the all school play, "The Bad Seed", have been held and the cast is as follows: Rhoda—Sue Hebblewhite; Christine—Ricky Johnston; Mrs. Daigle—Ricky Johnston; Monica—Jan Conley; Miss Fern—Kenny Cowen; Mr. Tarker—Bill Shipper; Bravo—Mike Hughes; Kenneth—Al Bauman; Mr. Daigle—Ted Egner; Leroy—Doug Ward; Emmory—Ed Lystra; and messenger—Terry Bangs. With the cast now chosen, the rehearsals should be underway very soon.

On May 10, Senior Swingout will be presented. The co-chairmen, Chuck Coffin and Jane McKinley have been busy working with Miss Price and Miss Labbe, the faculty advisors, on the theme and general plan for the show.

Some of the interesting programs to be presented by Assembly club in the near future are Stan Kenton and his band, on April 29, followed by Gordon Hall, a popular lecturer, on May 22.

Hall will speak on his "Hate your Neighbor" campaign.

The election assembly for congress takes place June 3.

On June 1st the Piper, Seaholm's yearbook, will be distributed. With the final deadline drawing near, its co-editors, Carol King and Prindle Anders have spent their time taking care of the many final details in its completion.

Local Patrol Boy To Head for D.C.

The outstanding member of the Terry school safety patrol soon will be named as Birmingham's official delegate to the 24th National Safety Patrol rally in Washington, D.C. in May.

This year's rally will commemorate the 40th anniversary of the safety patrol movement which began in Detroit in 1919 and has since spread throughout the world. The local youngster will join 100 other top state patrolers for a four-day, all-expense trip as guest of Automobile Club of Michigan, May 12-15.

"The schools earned the honor of nominating delegates through their patrol activities and efficiency during the past year," said Ernest P. Davis, Auto Club safety and traffic director. He said the schools are expected to name their outstanding patrolers in about two weeks.

Patrolers from 85 Michigan communities, will leave Detroit May 12. During their stay in the
