Horse Before the Start

So it's snow suit weather, but a fellow can always anticipate the swimming season's start by being ready with his floating horse. That's what three-year-old Mark did this week when he went along with his father, Leslie W. Fleming, and his sister, Paige, to survey the site of Birmingham's first jointly-owned private swimming pool. Fleming, 1007 Mohegan, is president of Forest Hills swim club, which plans to begin construction May 1 on its pool near Eton park in Birmingham.

Child Clinic's Annual Meeting Here Wednesday

Oakland child guidance clinic board will hold its annual meeting Wednesday at the Little Theater in the Seaholm high school, Lincoln and Cranbrook roads.

Clyde B. Simson, chief psychiatrist of children's services at Lafayette clinic, Detroit will speak on "Drugs Alone Are Not Enough."

According to Simson, "The great emphasis on the so-called miracle drugs has overshadowed the need for continued intensive psychiatric care and treatment."

THE OAKLAND clinic is celebrating its 14th year of operation. In 1950 the clinics located in Pontiac, Birmingham and Royal Oak saw a total of 810 children and their parents in 6,487 interviews.

Miss Madeline Hall, clinic director, said, "The three most frequent sources of referrals are from schools (34%), parents (30%) and physicians (19%). With the new clinic team approved for Royal

Oak, we will be able to service Oakland county with two full-time teams".

The annual meeting is open to the public.
