Classes Start Sept. 8 For Students in Troy

TROY—Troy schools will open for all grades, kindergarten through 12, on Thursday, Sept. 8.

All students entering Troy schools for the first time will register the week of Aug. 29 at their respective schools. All elementary school principals and secondary school principals will be in their buildings during that week to assist later new students.

KINDERGARTENERS who have already registered at pre-school round-up or since then have been notified of the time, date and school where they are to report. Parents are asked to provide transportation for their kindergartners the first day (Thursday or Friday). Bring certified record of birth if it has not been presented.

New resident students who are in the seventh, eighth and ninth grades will register at Baker junior high school. The principal, John Diefenbaker, will be available for parental conferences and new registrations beginning Monday, Aug. 29, from 9:30 a.m. to 3 p.m. On Thursday, Sept. 8, home room lists will be posted in the gymnasium. Students will enter the gymnasium, find the home room list, and then report to the designated room at 8 a.m.

High School Principal, Roudolph Smith, will be available for new registrations in grades 10, 11 and 12 and also to make schedule changes from 9:30 a.m. to 3 p.m. beginning Aug. 29.

ALL SCHOOLS will be in full session Thursday, Sept. 8. Regular bus routes will be operating as in the past year.

Troy high school and Baker junior high school classes will start at 8 a.m. Buses will start at 7:15 a.m. to pick up students for junior and senior high schools.

Buses will start at 8:15 a.m. for students attending Big Beaver, Poppleton and Morse schools. Classes in these three schools will start at 8:45 a.m. Buses will start at 8:45 a.m. for students attending Niles, Coleman and Troy Union schools. Classes in these three schools will start at 9:15 a.m.

Attendance areas will be the same as for last year.

SPECIAL Education students will return to the same classes throughout the county unless notified by the school district. The special education transportation system will continue and the children will be called for at their homes.

Some school transfers may have to be made to equalize class loads in the elementary schools. Parents will be notified as to the necessary changes. As the new buildings are completed, transfers will be made.
