Walnut Lake Day Camp Picnic Set Tomorrow

WALNUT LAKE—Tomorrow a picnic with games and prizes will bring to a close another successful Walnut Lake day camp.

The camp, sponsored by the PTA, began its first three-week period about the middle of June with 45 students in attendance. Twenty-five youngsters enrolled for the second session.

As a result of the work completed by the children in many interesting crafts, room will wear copper enameled earrings, dad's keys will be encased in a new leather key ring and junior's little trousers will be held firmly around his waist with the help of a beautifully beaded belt.

Each Friday was special events day with the children presenting either a talent show, lining up for a parade or enjoying a picnic.

Mrs. Joan Beamer, second grade teacher at Walnut Lake, was in charge of the camp and assisting her was Miss Sue Hitty who will leave shortly to resume her studies at MSU.

The James Roberts home on Lakeshire road was the scene of a family reunion over the past weekend.

Among the guests were Mrs. Roberts parents, Mr. and Mrs. Robert Harper of Chardon, Ohio, her brother and his wife, Mr. and Mrs.

South Oakland Symphony Plays Concert in Braes

BRAES—Possibly the most enjoyable and successful venture undertaken by the social committee of the Braes of Bloomfield was the presentation Saturday of the South Oakland county symphony at an outdoor concert on the adjoining properties of the Stan Rapsis, the Russell Herricks and the J. P. Roberts.

Under a blue sky and against a background of graceful willow trees, the orchestra played to an enthusiastic audience from the first notes of Von Suppe's "Beautiful Galatea" to the closing bars of Schubert's "Unfinished Symphony".

The 43 MEMBER orchestra, composed of housewives, doctors, business men and students was under the able direction of Henry Nusco.

"Summer-time" and "Through the Years" was sung by Mrs. Dreama Royal of Birmingham.

The concert was made possible through the efforts of Mrs. Robert Kreuz and Stanley Rapsis and the committee.

Twenty-five guests remained at the Rapsis home for a buffet supper while some of the orchestra members and guests enjoyed the hospitality of Mrs. Kreuz at an afternoon at her home on Brae-moor trail.

Medical Auxiliary Sets Membership Tea

There's Always a Wallflower

Little Danny Roach of Beverly Hills is coaxed at the Red Run kids' day by Mrs. Thomas Matthews to get out and play with the rest of the kids. Danny, who is a little shy you see, isn't even tempted by the yo-yo. The party featured games, contests, and swimming.
