Local Man Awarded Key From Scouts

Charles E. Whitney, 17537 Kinross, Birmingham, was awarded the scouters key last week at the Annual Commissioners' Breakfast...

WHITNEY, former plant manager at Ford Motor Company and currently general manager of the Wilson Automation Co. in Warren, rendered leadership and experience in helping organize Cub Pack B-29 for the Old Lady Queen...

CHARLEY, as he is known by all his friends, believes in the well established theory that it is better to build a boy than to mend a man.

Kenneth A. Meade New Chairman Of PTA Committee

Kenneth A. Meade, 26725 Captains Lane, Franklin, has accepted the chairmanship of the Birmingham PTA council's committee studying curriculum.

Meade succeeds Donald Cramer, who was transferred from the city. He is a graduate of Nashville (Tenn.) high school, Eastern Michigan university and the University of Michigan.

MEADE was head of the science department at Central high school in Kalamazoo, a faculty member at Eastern Michigan university, head of the physics department at Lawrence Institute of Technology.

HE HAS SERVED as chairman of the personnel study committee of the Detroit Citizens' Advisory Commission on school needs and has worked on the physics study committee of the present Birmingham Citizens curriculum study committee.

Common Corn Old Plague Of Mankind

Two of mankind's oldest petty plagues, the common cold and the common corn, run neck-and-neck in any race for manpower loss.

DR. KAPLAN, a member of the board of trustees of the American Podiatry association, made his comments in reporting the latest findings of the American Foot Health foundation (AFHF).

THE FOUNDATION adds that the corn, as might be expected, has been known to affect individual personality through its response to the slightest change in temperature humidity or friction.

Ask Reconsideration Of Budget Allocation For Child Clinic

Representatives of the Oakland Child Guidance clinic, including a Birmingham woman, have asked the county to reconsider the clinic's budget allocation for 1951.

ALTHOUGH THE county had allocated \$32,500 for the clinic this year, the clinic actually had \$67,000 to work with because of commitments from other sources which had been made to help get the clinic started.

These funds will not be available in the future," the group told the ways and means committee.

Philip J. Henry, Lester K. Ferris, Carl A. Knisely, Mrs. Minnie F. Young, William H. Lyman, Mrs. Ellen E. Heth, Mrs. E. R. Giles, Willard M. Brown.

By the school boards of south Oakland county, the city of Oak Park and the Junior League of Birmingham.

REASONS given why the county could not allocate \$67,000 were that the clinic is more of a state than a county responsibility.

IN ADDITION to this, the waiting list gets larger, and the period of waiting before starting diagnosis is being lengthened.

RESERVATIONS were made by the board of supervisors, with the ways and means committee to offer its recommendations at that time.
