Telephone Lines

By AL WARNER, Manager

I recently took the time to look back on our accomplishments here at the Telephone Company for the past year and to review our plans for further accomplishments in the year to come.
I was proud of the quality of service we have provided for you in 1960. I hope that you feel the same way. If we did make any "goof" in your case, please be assured that it was not intentional. We will try to do better in 1961.
From all of us we wish you a most happy and prosperous New Year.
