VA Office Declares Policy Dividends
Birmingham area residents may be interested to know that an estimated 230,556 veterans in Michigan who hold participating GI life insurance will receive \$11,795,100 in annual policy dividends during 1961, according to an announcement by Gene A. Roberts, manager of the Veterans Administration regional office in Detroit. This represents Michigan GI policyholders' share in a regular national 1961 dividend totaling \$258,500,000. Dividends will be paid to holders of both term and permanent plan participating NSLI (World War Two) and USGLI (World War One) insurance policies. Three of the youths, one of whom turned 17 before charges of larceny by conversion were filed, were arraigned yesterday before municipal Judge Edward Emery.

Ralph Moxley. "THEY MUST have been awfully dumb to have hit the same place on the same day of the week time after time," he said. Police Sgt. Richard Brown observed a suspicious car pull up alongside the Wrigley's store about 1:30 a.m. Sunday. Several of the youths jumped out of the car and broke off the news stand padlocks with steel bars. As Brown approached to investigate after ridding nearby scout cars, the teenagers returned to the car and drove off.
