Dr. Stauffer is director of the reading clinic at the University of Delaware, editor of "The Reading Teacher" magazine, author of reading text books and a past president of the International Reading Association.

Defer Southfield Light Industrial Rezoning Request

SOUTHFIELD—Action on a request for rezoning of 30 acres to light industrial zoning was deferred at a special meeting of the council Dec. 7 and a committee set up to study the matter.

The land is bounded by Telegraph, 11 Mile and Franklin Rds. It is now zoned residential, with the first 200 feet of Telegraph zoned commercial.

The committee will be composed of five residents of the area: Council President C. Hugh Bohony; Councilmen John J. Hollywood and Clarence A. Durbin; the attorneys involved and Planning Commission Chairman Theudis Obal.

CITY ATTORNEY James C. Allen asked at an earlier meeting to confer with counsel for the

Assault Case Ends In Hung Jury

BLOOMFIELD TOWNSHIP—A jury of four women and two men were unable to agree Tuesday on a verdict in the case of Leo Harrelson, Jr., charged with hitting the clothing store manager in a Bloomfield Township bar fight.

Trial was for assault and battery. The case was tried before Township Justice Elmer C. DeWette.

Mrs. Gerry Dodd, 42, Pontiac, brought the charges against Harrelson following a July 31 fight in a bar at 1727 S. Telegraph. Harrelson is the son of Pontiac Teamster Local 614 president.

City Sets Deadline For Filing Paving Petitions for '61

LATERUP—February 1 has been set as a deadline for filing petitions for street paving next year. Petition forms may be obtained from City Clerk Frank Derby and must be signed by 70 per cent of the property owners.

Assessments may be paid in full without interest or in the annual installments with six per cent on the unpaid balance.

Concrete paving was recently completed on Woodworth Way, Wiltshire and Santa Barbara on a cash basis that resulted in savings to these residents.

Crane Wrestlers Crush Foe, 45-5

Recorded six pins and five decisions, Cranbrook School's wrestlers buried Northville, 45-5, last Tuesday in the Cranes' first meet of the winter.

Tom Bennett (145 pounds) recorded the fastest pin for the winners—27 seconds. Other Cranes pinning their foes were John Goodman (112 pounds), Al Wilkinson (127), Tom Anderson (138), Worth Mattison (148) and Ken Roberts (180).

The Cranes met Kimball High at Royal Oak Friday night.

owners of the proposed site to see if the city can get a piece of land within the development.

Realtor George G. Alder of Howland-Alder Realty said the proposed light industrial "park" would consist of about 10 separate buildings in a park-like setting costing about \$500,000.

IF THE CITY acquires a piece of the land, it would have control through deed restrictions, over development and character of the park, pending adoption of the city's new zoning ordinance. Present zoning does not include restrictions for industrial development.

fouled, just as they can try those free shots.

"And all the fouling being called seems slightly ridiculous to me."

ROBERT HUNYAN, 474 Larchdale, who was on the 1951-52 Bulldogs unit, sees the major difference in the game is the fouls.

"They call quite a few fouls today. It seems they've clamped down on the boys quite a bit."

"Of course, the game is much faster and they're calling the fouls much closer as a result. But it seems you can't have any body contact now. We used to have quite a bit of it."

"BASKETBALL is better today. The kids are starting in the game younger now, and they've got sharper eyes. The scores indicate that."

"It's marvelous the way the kids shoot with one-hand. A kid has more chance to get a shot away now . . . less likelihood of it being blocked."

21-1! Football? No, Hockey!

Pity the poor Annunciation goalies who are in the hot seat. Cranbrook School's hockey forces scored almost at will Monday in racking up a victory in the football-like score of 21-over the Detroit school.

The Cranes, now with a 2-1 record, held a 7-0 lead after the first period and were in front 13-0 going into the final stanza.

TEN CRANBROOK players scored goals, led by sophomore Dave Schultz five and Tom Cooper three. John Billson and Jack McCarthy tied tallied two.

Cranbrook suffered its only loss to Notre Dame of Harper Woods, 4-2, Dec. 9. The Cranes edged Lakeriver of St. Clair Shore, 2-1, Dec. 7.

Tallies 3 Goals In Opening Play

Stu Forrest scored three goals to lead the Huskies to a 7-1 rout of the Jets Saturday in a six-minute play in the Birmingham Recreation Department's juvenile hockey league.

In another juvenile contest, the Bulldogs and Tigers fought to a scoreless tie.

Bob Cruickshank tallied a pair of goals as the Eldorados downed the Green Hornets, 3-1, and the Banahes and Yellow Jackets battled to a 4-4 deadlock in midgeet division contests.

Hazel Park Downs Bluejays, 46-33

SOUTHFIELD—Coach Will Steinkes' Southfield High cagers suffered a 46-33 basketball defeat by Hazel Park Tuesday night.

The Cranes, who are 0-2 for the year including a 75-45 pasting the hands of Ferndale Friday, were paced in scoring in Tuesday's setback by Joe Anderson's seven points.

Les Wilkinson tallied 13 in Friday's defeat.

Defending Champs Register 1st Win In 'Y' Cage Loop

Defending champion Franklin Community Church registered its first victory of the young season with a 42-30 nod over Birmingham First Methodist Monday in the second round of the Birmingham YMCA Church basketball league at Derby Junior High.

Fatty Hawking paced the champs' triumph with 26 points. Birmingham First Baptist edged Birmingham First Presbyterian, 38-33, despite Al Freed's 16 markers for the losers. Tom Barsley tallied 13 for First Baptist.

well thought-out. We had beautifully executed plays, and there's no change in that part of the game."

"But I don't think the game is more exciting now. The lower scores we had were more exciting. Nowadays, the ball is quickly brought out of bounds after every basket and it speeds the game up to a race-horse speed."

"If we ever had a fair or eight-point lead we felt pretty good. Today, even a 15 or 20-point lead offers no feeling of confidence for a team."

"VIC CANEVER", 929 Harmon, believes "our plays were just as

"I THINK it's still a terrific game, though. But we just worked harder for scores. Ball-handling was very much at a premium."

"Further, it's difficult today for the little guy on the court. And I felt a great deal of strategy was taken out of the sport when the center jump was abolished."
