The Lowrey Chord Organ

2 organs in 1

It's a Chord Organ Plus a Full 2-Keyboard Organ

\$995

Lowrey Holiday Duo

No lessons, no practice. Even if you can't read a note, you can sit down at this new Lowrey Chord Organ and play the familiar melodies you love. And you won't outgrow this new Lowrey because it's really two organs in one—designed to meet the musical needs of the whole family.

It's a satisfying experience—whether you use the chord buttons to "chord along" as you play favorite tunes... or whether you play your Lowrey as a regular 2-keyboard organ. Youngsters, too, can learn to play it... either way.
