Christmas means so many things to the millions of people throughout the world.

It is the season of reminding the turbulent world of the thought that should be with us in every season of every year—the thought that 2000 years ago rang out across the world in an appeal for peace on earth and good will toward men.

Please attend the church of your choice during the glorious season and pray with us that the world will join together in everlasting peace and love of fellowmen in the true Christian spirit.

May these days bring you happiness and the dawning New Year be full of everything good for you.
