Experience Is the Best Teacher

Home economics students of Miss Cathie Foster's Child Development course at Seaholm got a little practical experience recently through a workshop form of study by conducting a four-day nursery school in the classroom. The class of two boys and 26 girls was divided into four groups, each of which rotated in performing different nursery tasks. Bill Schwartz (left) and Gary Fuller of the entertainment group supervise four-year-olds Leslie Peterson, 235 Westwood, Birmingham, and Peter Reason, 31602 E. Bellvue, Beverly Hills, in a beanbag throwing session.
