

Southfield High

This Miss Made Jr. Miss Meet

Southfield high's Marcia Lawton was a runnerup in the Junior Miss contest Jan. 30 in Pontiac. In spite of an illness that kept her at home all week, Marcia is being congratulated by her classmates for the excellent showing she made in the contest.

Three Southfield students have applied for a month in Europe this summer under the exchange student plan. They are Penny Pavlik, Chuck Spence and Nancy Clikko. Only one, Penny Pavlik, has a definite confirmation, although the other two will likely go.

If members of Southfield's senior class don't sprout up more than three inches between now and June

the caps and gowns they will be fitted for tomorrow will fit on graduation day. Another item to be covered in the busy rush of senior year is graduation card orders to be taken Feb. 25.

With the beginning of the new semester Southfield's enrollment now totals 1,266. The school gained 17 new students with only three drop-outs.

Southfield's annual talent show will take place tomorrow with a dance orchestra, pianists and pantomime acts scheduled. John Gillespie, a junior and vice president of the student council is managing the show.

Sixth Southfield high instructor to win the Apple for the Teacher award was Mrs. Judith Boer, who received her prize on Feb. 1. Mrs. Boer is a French teacher.

Tag of Southfield's early student council members are now serving as president of their college students. They are Ed Ward of Eastern Michigan university and Larry Ternan, president of Western Michigan university Student

Winner and Owner

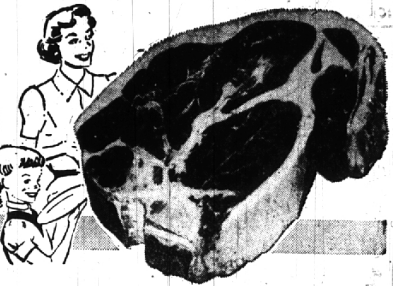

Cheryl and Cheryl's Thor pose for a victory picture after the year-and-a-half old German shepherd placed in two contests recently. Thor took first place in the Novice A division for conformation at the all-breed dog show and obedience trial sponsored by the Progressive Dog club of Wayne county, at the Michigan State Fair grounds, Jan. 25.

The next day he took second place in conformation and captured first and one-half points to place second in the Novice A Obedience class in a show sponsored by the Pontiac Kennel club.

The proud young owner is Cheryl Ann Simons, 15, daughter of Mr. and Mrs. Walter J. Simons of Woodale road, Bloomfield Village. She is an eighth grader at Sacred Heart convent, Bloomfield Hills.

Cranbrook Corridor

By DON CUMMINGS
After winning eight contests without a defeat, Cranbrook's hockey team experienced a hard day and came out the short side of a 4-3 battle with St. Anne's at the Windsor arena.

The outcome left many spectators mystified as just three weeks before, Cranbrook had defeated St. Anne's by a score of 7-0. But the team is still very much in the upper part of the league and has until Feb. 19, to prove its abilities.

Other than athletics, Cranbrook has had very little activity lately except for an even greater amount of academic work.

Many students are eagerly awaiting Kineswood's Mid-winter Formal, "Trap-ody in Red," which is scheduled for Feb. 12. The dance is Cranbrook's major social event during the month of February and will be well appreciated by all who attend.

The University of Michigan's Extension service for the Bloomfield Hills area has begun its second semester of academic work at Cranbrook.

Courses in English, psychology, anatomy, and speech in addition to a special survey of the Soviet Union, are offered to interested adults.

The extension service started its program at Cranbrook last year and offers two semester credit hours to graduate or undergraduate students. Thirty of the new say one hundred twenty credit hours are also offered to candidates for Richard's degrees.

Cranbrook's debating team ended its season in a two way tie for second place in the Inter-Lakes Debate League. Cranbrook and Southfield high school both compiled records of six wins and two defeats.

Cranbrook made a much better showing this year than last, when the team finished with four wins and four defeats.

People's Column
Friday Night Parking Rules Draw Protest

To the Editors:
I had the opportunity on Friday, January 8, 1950, to visit your fairly engaged upon the mission of frequenting a local cinema.

Upon returning to my automobile which was parked on East Maple street, I observed that an officer of the Birmingham police department had placed a colorful Parking Violation Notice upon my vehicle. The violation was indicated to be "overtime parking."

I GAZED with shocking amazement upon this ticket wondering why I should receive such a ticket at 8:22 p.m. Nowhere in the vicinity was there a sign posted advising legal parking hours.

Upon looking at the parking meter, I did notice a small notation to the effect that legal parking hours are from 9 a.m. to 6 p.m. every day of the week except Friday, when the metered parking period extends up to and including 9 p.m.

I AM OF the opinion that such parking hours on Friday evenings are grossly unfair not only to frequent visitors in Birmingham, but also to local citizens as well. Certainly Birmingham, from my experience, is in the minority in enforcing such a regulation.

It is a well known and accepted fact that many people perform shopping functions on Friday evenings.

If the city fathers place such a high value upon the nickel, to the detriment of local business, then I am thankful my contacts with Birmingham in the past have been very limited.

THEY certainly will be in the future.

RAMBLER WINS COMPACT CAR ECONOMY TEST!

Rambler American tops nearest competitor by 6.67 miles per gallon in Pure Oil Economy Trials at Daytona

Once again Rambler proves it is America's Economy King! Under official NASCAR supervision, the Rambler American won over all other U.S. economy cars to sweep the Compact Car Class in the Pure Oil Economy Trials held at the Daytona International Speedway Public Proving Grounds, February 1-3.

But gasoline mileage is only one measure of Rambler economy. Rambler owners save, too, on lowest prices, lowest upkeep, and highest resale value.

Discover Rambler's all-around economy yourself. See your Rambler dealer today.

HERE ARE THE OFFICIAL PURE OIL ECONOMY TRIAL RESULTS

RAMBLER AMERICAN	51.281 Miles Per Gallon
FALCON	44.614 MPG—Rambler gave 14.9% more mileage
VALIANT	41.801 MPG—Rambler gave 22.7% more mileage
CORVAIR	39.882 MPG—Rambler gave 28.6% more mileage
LARK	32.965 MPG—Rambler gave 55.6% more mileage

IMPORTANT—All cars in the Pure Oil Economy Trials were driven by expert drivers and operated under ideal conditions. The winning Rambler American Custom was equipped with optional overdrive which is not available on most other cars in the Compact Car Class

and averaged better than 25 miles per hour. No car owner should expect to approach in every day driving the mileage achieved in this test by Rambler or any of the other cars. However, the results prove equal to the superior economy that Rambler owners enjoy.
