

Seaholm Tankers Win Now In Second Place

The Seaholm Maple tank team is currently enjoying one of its best seasons ever with an 8-2 record. The two losses were to arch-rival R. O. Kimball for the only blemish on the Maple record.

The Maples downed Dondoro Tuesday night 66-30 in a meet that produced two pool records but was not the record shattering meet of a week ago when Seaholm defeated Hazel Park 87-24.

Maple coach Jay Meyers used most of his younger crew in the meet, giving them a chance to show their stuff, and show they did, capturing seven first places and setting two pool records in the action.

ALTHOUGH DONDORO is still new in the swimming department they show great promise of be-

One of the most difficult strokes to master, the back stroke, looked when Larry Severy took first place in the 100-yard backstroke race.

Mike McCarthy set a sizzling pace in the 200-yard free style event to capture first place.

TURNING IN his usual excellent performance, Bill Driver set another pool record in the 100-yard breaststroke with a time of 1:08.4 at the Dondoro pool.

Although the Maples lost the match, Bill Driver set a new National record in the 100-yard backstroke with a winning time of 1:04.7.

The old national record for a 200-yard pool was 1:06.5.

The Maples are now in third place as a result of the loss to Royal Oak Kimball and Grose Pointe in the one-two spots.

Maple Cagers Defeat Berkley 60-49

Seaholm In Second Place After Loss To Port Huron

The Eastern Michigan league continues to be a thrilling series of ups and downs as coach Lou Parry of the Seaholm Maples will readily attest.

Tuesday's victory over East Detroit put the Maples in a tie for second place with Ferndale, the team that most of the sportswriters figured as the potential league champs early in the season.

The tie for first was short-lived, however. Port Huron met Port Huron Friday night and got humpered 75-60, in one of the best high school games this writer has seen.

The first half of the East Detroit game was exceptionally fast, with both teams showing the necessary stuff for a championship.

At the start of the third period the game got rougher, with East Detroit trying to come from behind and the Maples trying to hold on to their lead.

The period was filled with some near-pointed leads, a lead that was being headed by the invaders from East Detroit.

DCD Yellowjackets Split Still In League Cellar

Action in the Central Suburban league has been stepped up lately as Harper Woods continues to lead the pack in the race for first place.

In the lead by two games the Harper Woods boys had a half-point lead and the result was a one-point 57-56 defeat at the hands of Detroit Country Day.

Detroit Country Day, who has been battling at the bottom of the league, took the lead in this week's game by a 57-56 victory over Harper Woods.

The 14TH RANK EAST team jumped out on an early lead, hitting for 18 quick points in the first quarter to the Yellowjackets' six points.

In the second quarter the Yellowjackets began to find the range and managed to outscore the invaders by five points although the first period deficit was too much to overcome.

The half-time score found the Jackets on the short end of a 30-22 score.

Figure Skaters Receive Awards

The winners of the Birmingham Figure Skating meet held last Saturday night were announced this week.

In the Toddlers division aged 6-8, first place was taken by Vicki Lynn Boyce, 7; second place was taken by Diana Young, 8; and third place was awarded to Pat Collins, 7.

In the Juvenile division, aged 9-10, the first three places were won by Aleda Reid, 10; Wendy Gale, 10; and Pam Fekory, 10.

The Junior division, aged 11-12, was won by Karen McAker, 12; with second place awarded to Ilona Hentschke, 12; and third place to Julie Johnson, 12.

In the Senior division, aged 13 and up, first place was taken by Carol Rigel, 13; second was Joy Capogno, 15; and third place went to Jeri Bowman, 16.

In the Boys division first place was taken by Jack Deo, Jr.

Bulletin

The Seaholm Maples tank team dropped a close meet with Grose Pointe Tuesday night 51-45.

Although the Maples lost the match, Bill Driver set a new National record in the 100-yard backstroke with a winning time of 1:04.7.

Cranbrook Cagers Win Two Straight Contests

Basketball at Cranbrook was almost a painful subject up to this past week, for the Cranes had yet to win a game.

However, the Cranes never gave up the idea that they were going to win, and win they did, defeating Grose Pointe University School 64-41 Tuesday night and Cleveland University School 52-33 Saturday night.

The wins give the Cranes a 2-0 record so far but after nine straight defeats who cares how many they lost.

JUST ABOUT ANY team would be so discouraged after losing so many games that it is a tribute to the team, the coach and the players who attended the games, that the team did not give up earlier in the season.

From the starting buzzer it was evident that the Cranes were out to win, matching up an early lead with a tight defense.

THE SECOND HALF was filled with some of the best scoring combinations that the Cranes have shown in their history.

IN THE SECOND HALF the Cranes began to show some notions of winning themselves, but the Cranes held their own and managed to contain the invaders from Grose Pointe.

The big gun for the Cranes was Roger Rothberger who scored 18 points, John Seely was runner-up when he hit the hoop for 12 points.

THE CRANES met Cleveland University School Saturday night and added another victory with a 52-33 win.

The first half was an exceedingly tough game, with the half-time score 21-20 Cranes favor.

Huskies Take Championship

In the final round of action in the Senior division of the Recreation hockey league, the Huskies maintained their hold on first place by defeating the second place Bulldogs 4-1 Saturday.

The win, coupled with a 3-3 tie with the third place Tigers Sunday, gave the Huskies the division championship and the chance to represent the Senior division in the Michigan Amateur Hockey Association playoffs in Detroit Wednesday night.

IN THE FIRST GAME against the Bulldogs, the Huskies jumped into an early lead on two quick goals by Fred Glasstord and Mike Jackson to Harry Holden and Rod Ruddy.

The second period saw the Bulldogs make a bid for the scoring column on a tally by Doug Moore with an assist by Stuart Robertson. This was the only tally for the Bulldogs however as the Huskies lightened up their defense and broke up all scoring efforts on the part of the Bulldogs.

BRUCE BROWN scored his third goal for a "hat trick" in the second period, taking a fine pass from Mike Jackson who got the assist.

As the third and final period began, Fred Glasstord picked up the puck from behind his net and skating the length of the rink, scored assisted by the Huskies.

THE SECOND GAME found the Huskies in a commanding two goal lead in the first period on tallies by Fred Glasstord and Mike Jackson with assists going to Bruce Brown and Ted Buzicki.

The third place Tigers started to make a fight out of it however and managed to tie the score in the second period.

THE THIRD period was one that the Huskies would like to forget about, with the Tigers coming from behind to take the lead on two quick tallies, one by Bill Baber on an assist by George Moshier and the second goal by John Miller with an assist by George Moshier.

THE HUSKIES came swarming back to tie the game in the third period, with assists going to Glasstord and Ruddy.

Getting Set to Shoot

The Recreation department's hockey league is often the scene of some hectic action, but many of the boys put in long hours of practice to improve their accuracy. Here one of the players winds up for a shot as the goalie waits.

Hockey Victories Give Cranes Winning Streak

After the two straight wins by the Cranbrook basketball team the Cranes hockey team can point with pride to their double victory during the past week as well.

The hockey club has been the mainstay of the Cranbrook athletic department so far this year with a 12-2 record in the International High School hockey league.

In the first game last Tuesday, the Cranes met Shrine and defeated them in the last minute of play.

SHRINE GRABBED an early first period lead on a goal by Ken Brown but Tom Siskinek tied it up for Cranbrook when he scored in the first period.

The second stanza was scoreless, but the action was intense, with both teams attempting to form a scoring play but not having too much luck.

In the third and final session, the Cranes went into the lead on a fine play by Larry DeWitt, who tallied from ten feet out on a screen shot that caught the Shrine goalie sleeping.

Shrine was not out yet however, when Ray Hoffman grabbed the face-off and raced the defenseman toward the Shrine goal, faking the goalie to the left and sending a sizzler thru the opening to win the game for Cranbrook. This was DeWitt's second goal of the day.

IN THE SECOND encounter of the week, the Cranes met Riverdale and defeated them on their own ice 6-0.

The first period was scoreless, with both teams unable to get a scoring third started. The second stanza was a different story however, as the Cranes came through with three tallies on shots by Bill Moshier, Larry DeWitt and Tom

THE ONLY MAN to pin his name was Roland Kaplan, but Pontiac Northern still proved the tougher team, winning 35-13.

In the second match against Cleveland, the match was even going into the last event.

Henschler earned three points for the Cranes on a decision and Art Bick also earned three points. Searyth pinned his man for a total of five points, and Roland Kaplan won a decision over his opponent.

Going into the last match, in the heavyweight class John Sprague received three points when with three tallies on shots by Bill Moshier, Larry DeWitt and Tom

Working the Ball In

Mary-Love Russell, senior at Kingswood, is seen working the ball in closer for a basket. The girls were hosts for the basketball contest held in the Cranbrook school gym, in which Kingswood placed second. A series of four matches in round robin form were held.

Taking No Chances

Taking no chance that the ball will miss the hoop, Maple Bill Massey practically drops the ball through the basket as Seaholm defeated East Detroit 73-51 Tuesday night.

The victory keeps Seaholm tied for first place with Ferndale.

Bloomfield Hills Still In Third After Defeat

The Bloomfield Hills Barons are still tied in third place after losing to W. Bloomfield Friday night 51-45.

The loss by W. Bloomfield creates a three-way tie for third place with Grose Pointe, W. Bloomfield and the Barons all two games out of first with three games left to play for the season.

The first half was action-filled with the Barons jumping into a quick five-point lead at the end of the first quarter.

It was the final quarter that broke the Barons back, an unbelievable cold streak, in which the Barons were able to score only three points to give the victory by Grose Pointe.

IN THE FOURTH quarter, Milford jumped out on an early lead and managed to hold the Barons to three.

The game ended with the Barons 14 points behind, 62-48.

Southfield Wins Tied For Second

The Southfield Bluejays put on one of the best shows ever on Friday night when they defeated Berkley 79-51.

Although Southfield has no chance for first place now that Pontiac Northern clinched first place in the regular season, the victory over Walled Lake, they are still battling for second place with Walled Lake and Farmington, all with 44 records.

THE BEST performance of the season was put on by Bluejay Ed Schaff, a 6-3 senior center who put on one of the best scoring feats of the season, hitting the hoop for 42 points.

DURING THE NIGHTS work-out, Schaff pumped in 17 field goals and hit from the foul line for eight points, only nine points by the entire Bluejays output.

Jumping into an early lead, Southfield maintained a healthy lead throughout the contest, paced by the marvelous performance turned in by Schaff.

A final period explosion by Berkley was nipped by some fine defensive work on the part of the Bluejays and the result was a 28 point margin at the final buzzer.

Lathrup Village Wins 7 Straight City Golf Course Plans Committee

A plan that calls for the organization of a "golf advisory board" to serve the management of the Springdale Golf Course has been suggested by the Forestry & Parks Superintendent, Charles W. Gale.

For over a year the management of the municipal golf course has been meeting with a group of interested golfers to try and answer the many needs of its members.

Under this new plan, a slate of 15 men and nine women golfers has been nominated. The selection would assure representation of all the varied groups, and types of golfers, who play at Springdale.

A MEETING scheduled for 8:00 p.m. Thursday, Feb. 18, at the Birmingham Community House, will place the plan before all interested golfers who use the Springdale course.

Going Up for Two Points

In an action-packed game that saw the Seaholm Maples defeat East Detroit 73-51 Tuesday night some of the players showed some real jumping ability. Here one of the invaders from East Detroit is seen going up for two points. The Maple Players all seem to be frozen on this basket.
