from 7-8 p.m. for the physically handicapped. Fee is \$5 for 10 sessions. Register at the Recreation Office.

SATURDAY SWIMMING: Registration for children's swimming classes will be taken at the Recreation Office during the week of March 7. Application blanks will be distributed to all the schools during the first week in March. The spring series of classes are scheduled to begin Saturday, March 15.

TABLE TENNIS: Michigan Table Tennis Championship tournament of 1980 will be held in the Oak Park High School gymnasium March 5 and 6. The tournament is co-sponsored by the Michigan Table Tennis Association and the Oak Park Recreation Department. Deadline for entries is Wednesday, March 2 at 6 p.m. Anyone interested should call the Recreation Office, MI 4-1800.

TEEN CENTER: The junior board of directors of the Birmingham Teen Center announces that due to an overwhelming response and attendance on the Friday nights when a band is furnished and an "underwhelming" response and attendance when a band is not playing, the Center will be open only on the second and fourth Friday nights of each month from 8 to 12.

During these nights music will be furnished alternately by the Dual Tones on the second Friday night of the month and various other local groups on the fourth Friday night of the month (such as the Epsilons, Dan Reid's band etc.) On these Friday nights admissions will be by membership

at Barnum Pool on Wednesdays and a quarter off at the guest of a member and 75 cents.

This Friday, Feb. 25, the Center will feature the music of the Epsilons, a group of talented musicians from Groves, Cranbrook, and Lawrence Tech. Dancing will be from 10 to 12 but you may come early for a game of pool, bridge or ping-pong. Watch this column for further announcements of coming bands at the Center.

SENIOR MEN'S CLUB: The Senior Men's Club at their meeting Feb. 19 welcomed the suggestion of Mortimer Hyde, the Club's Moriturus M.C. that they "Put On" a small Minstrel Show and donate the admission fees to the Community House.

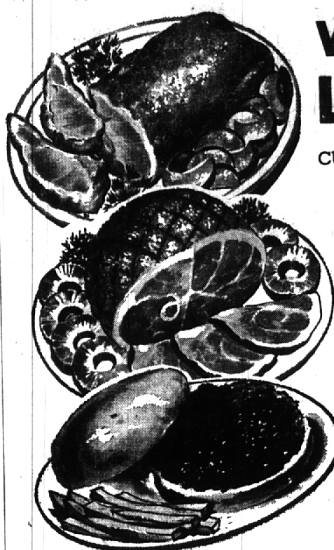

These men are grateful for the Community House Facilities which they so enjoy twice a week and for the support and encouragement which is accorded them by the Community House Association. Many people do not understand what the Community House Association is a private organization which receives no financial aid from the City. Their funds are derived entirely from services rendered and from donations of the people who live in this community to whom these services are invaluable. They contribute greatly to the congenial atmosphere in which we in Birmingham take so much pride.

The Senior Men's Club was organized in January of 1957. It is co-sponsored by the Birmingham Recreation Board, from whom they also receive great assistance and moral support. Their program for Feb. 26 will include a showing of "Walt Disney's" movie of Switzerland. The Discussion Group which meets separately after lunch will have "Are People So Dumb" for their topic.

Snow in Hawaii?

The Birmingham Recreation department's "Skaters Holiday Show" went on in the best of theatrical traditions. Despite the "near blizzard" conditions the skaters performed with skill. The Hawaiian Girl number, consisting of Mary Simpson, Linda Bryant, Cinda Pifer, Pamela Martin and Kathryn Rosselot perform a hula dance in the falling snow.
