Christmas 'Custom' Builders

BLOOMFIELD TOWNSHIP — So expert have Lynn and Carol Sayage become at carrying out a family Christmastic custom that the results of their work went on display recently. With their Christmas candy house are nine-year-old Lynn (left) and 13-year-old Carol Sayage, of 3850 Fair Hill, Hickory Heights. The pair worked for four hours to make the house which was

displayed at Eastover school and at their uncle's real estate offices in Birmingham. After their uncle made the cardboard frame, the girls "painted" the house with powdered sugar and egg white frosting set with special candies, many of them imported. A chocolate Santa Claus is poised in the chimney.
