

Special Help Available on Income Taxes

The Detroit district office of the Internal Revenue Service today announced plans for assisting taxpayers in preparing their 1959 federal income tax returns.

This year, the various internal revenue offices will designate a special assistance day. On this day, extra personnel will be available to taxpayers visiting the office who will quickly receive answers to their questions.

A GREAT NUMBER of taxpayers can save a trip by telephoning their local internal revenue office said R. L. Nixon, district director. He urged taxpayers to:

- 1) Read the instructions and start the return.
- 2) If you have a question, call your local tax information number.
- 3) If you need further help, visit your nearest internal revenue service office on the special assistance day.
