## WE STILL FEEL THE SAME AFTER THIRTY-SIX YEARS

After thirty-six years, we feel that it is entirely appropriate that we continually re-dedicate ourselves to those principles that have brought honor to our institution:

- A sincere belief in the inherent dignity of man. A desire to serve all, regardless of economic station or religious belief.
- A determination to provide the personal and intimate services required with understanding, reserve and respect.
- A willingness to provide facilities that are both beautiful and appropriate, and in keeping with the wishes of the family. And, above all, the hope that we may lighten the burden of the families we serve. To these principles we are dedicated.
