

Understanding Is Important

There was a day, not long past, when it was disturbing to most families to speak of life insurance. As a matter of fact, it was called death insurance. Yet today it is an accepted part of family planning. We respectfully suggest that the time has come for the family to assume the same objective attitude toward funeral pre-arrangement.

Today's funeral director provides facilities and services that are modern, dignified and in good taste. He provides the highest type of personal service, both before and at the time of family crisis.

You should know about these services. Know the peace and satisfaction that can come from simple pre-arrangement and planning.

For private consultations, call LI 9-0500, or stop in for a visit. Qualified funeral directors will personally conduct you on a tour without obligation, of course.

Barnum JHS Invite Parents To School to Meet Tonight

By The Press Club
The Parent Teachers' association of Barnum meets tonight at 8 in the gym. Dr. F. M. Adams, Dr. R. J. Mason, and Dr. C. F. Payton will be our guest speakers. We urge all parents to attend.

To conclude the modern dancing session in the girls' gym classes, programs are being presented on Thursday and Friday of this week. Each class, divided into groups of three to six, is choreographing their movements and arrangements to records, ranging from jazz to folk songs.

Barnum had a busy week in which its basketball team did quite well. During the week they played two ninth-grade games and four eighth-grade games. Jan. 12, the eighth grade played a double header with Groves high school's eighth grade team at Barnum.

The result of the first game was a proud victory for Barnum whose final score was 21-15. The high point man was the high man with 10 points. In the second game Barnum was defeated by an energetic Groves team 32-23. The high point man for Barnum was Bob Hubbard with nine points. Friday, January 15, again there was a double header at both Derby and Barnum.

While Barnum's ninth grade team played host to Derby's team, Derby's eighth-grade team played host to Barnum. Derby's eighth-grade came out on top 24-13. High point man for Barnum was Greg Russell with 9 points.

Barnum won the second game 19 to 18. The winning points by Barnum were made by Kirk Quillian in the last seconds of the ball game.

Barnum's ninth-grade beat Derby's ninth by only a slim margin, 25-23.

The second game was well played by both teams, but Derby definitely had control of the ball most of the time and you can't win a ballgame without the ball. The final score was Derby 33-22.

In a few weeks Barnum will have its annual All-Star-Faculty game. It will be held in the Barnum gymnasium. An exact date has not been set. All profits will be given to the swimming team for warm-up jackets and training equipment needed in developing the swimmers physical condition.

The winner of the cover contest for Barnum's yearbook, The Mapletonian, was announced Jan. 13. John Mathew's cover was selected from among the many entries. This seventh-grader will receive a yearbook as his reward. The judges were Brooks Hinkley, Mapletonian editor; Tom Montgomery, co-editor; Don Oatman, Mrs. Geyman, Miss Clawson, Mr. Robert Ford and Mr. Roy Vanette.
