'Splash, Glub, Rah!'—That's Victory Story

By BRENDA DRUMM

The crowd burst into enthusiastic cheers as the last Derby swimmer touched the edge in the last event, the 200 yard free-style, to win the derby-Kimball swimming meet last Friday.

The meet began with a 50-yard freestyle which was won by Jim Falconer of Derby.

Jim Stewart of Derby placed first in the difficult 50-yard butterfly event.

The next event was won by Dave Clawson of Derby. It was a record for Dave, 2:19.10 seconds.

The defeated Kimball team started to perk up when Selk of Kimball placed first in the 50-yard breast-stroke, and brought them their first win in the meet.

In the next event Tom Kennedy placed first in the 100-yard freestyle. Tom is one of Derby's many excellent swimmers, and showed great ability in the meet.

Mr. Zimmer, father of one of the swimmers, judged the diving event. Jim Pfeiffer of Derby placed 17 points and won over Kimball's 10.8 points. In junior high the boys are only required to do six dives, while in high school they are required to do six.

An individual 100-yard medley (butterfly, breast-stroke, crawl, and backstroke) was won by Tom Kennedy of Derby. Ron Lotens, also a swimmer, and must have camping so of Derby, another excellent swimmer placed second.

The exhibition medley was Kimball's second and last win. Derby

Holy Name

Must Be Irish—Their 'Luck' Is Still Holding

By JUDY GOODE

Our luck has held out for another week—into the second round of games. We won both girls' and boys' varsity games last week.

The girls played St. Mary's of Mt. Clemens away from home and won the contest 24-13. High scorers were Vicki Motowsek, who racked up 9 points, and Gretchen Keefe, who scored 8 points. After this week's victory we are actually looking forward to our game this Sunday with St. William's.

The boys' varsity swamped St. Michael's Sunday by a score of 62-13. High scorer in this case was Dave Walter, star center.

We are all wondering if our luck will hold for this Sunday's games. Our teams, however aren't going to rely totally on luck but on the saying "Practice makes perfect."

As January 28th draws near, eighth-graders at Holy Name may be getting a bad case of the jitters.

Mid-semester tests are creeping up on us with stealthy feet. These tests will be given on the day before our semester holiday.

This will be the first year tests like these have been given at Holy Name. They will be composed by the teacher to determine whether or not a student is ready to pass into the second semester.

On Feb. 11 the third speaker of the Holy Name Christian Culture series will talk in the school gym. Eddie Dawling, well-known Broadway producer, actor, and playwright, will talk on his theatre experiences and on his pot long range project—to construct a replica of the Holy Land in Florida.

Altogether people holding tickets to this Christian Culture series have an evening of real enjoyment to look forward to.

Go Ahead, Say It

The student council of Barnum junior high school carried a motion providing the school with a suggestion box. It will be placed in the main office and any students who have suggestions or complaints may suggest or complain to the student council via the suggestion box.

Preps are back again with a new hit sound in "Down by the Station" revival.

Jimmie Rodgers has his first "A" record in some time, and seems to be coming back in a big way with "Tender Love and Care," while the Everly brothers have undergone some changes in their latest release but are still selling well with "Let It Be Me." One of their latest sides is backed with lush string support instead of their usual rhythmic guitars.

The biggest action record release of the week is Bobby Darin's "Beyond the Sea," a tremendous effort from his best selling album "That's All." Darin seems to be bringing good music to the hit charts for a change and is doing quite well as a result. Incidentally, the record by one Jimmy Jones, is also selling well in Cleveland.
