From the 'Y'

All Ages, All Places — All Work

New opportunities are offered to boys and girls of high school age as well as junior high school age through the Hi-Y, Tri-Hi-Y and Jr. Tri-Hi-Y respectively.

These clubs are primarily service in nature and similar to school clubs. They meet in the members' homes with an advisor to plan projects, club programs and social activities.

THE HI-Y is international in scope, while the Tri-Hi-Y and Jr. Tri-Hi-Y are part of a fellowship which is nation-wide.

These clubs offer opportunities to visit, participate in youth and government legislative, United Nations assemblies, community forums, and other public affairs programs.

Being a member also opens wide an opportunity for development of understanding and interest in people of other cultures. Call your Birmingham YMCA for further information.

WINTER BRIDGE lessons began at the 'Y' this week. Lessons are on Mondays, from 1 to 3 p.m. A nursery will be provided for those with pre-school children.

Mrs. Marie J. Boshaft who heads the Michigan bridge teachers, will again conduct the class. The beginners will be taught to play, score and evaluate their hand in bidding, raises and leads. The intermediate players will be taught slam bidding, overcalls, take out doubles, and duplicate bridge.

This is not a lecture course but one of actual play, and all players have been requested to bring their own cards, score pads and pencils.
