Life of Christ Film Continues July At First Baptist

"Discipleship," a full-color motion picture portraying the Sermon on the Mount and the Lord's Prayer along with related events, will be presented at the First Baptist church at 7:30 p.m. Wednesday, July 20.

One of 12 episodes in an elaborate new series of films spanning the life of Christ, "Discipleship" also shows Jesus choosing the 12 whom he names Apostles, and a fascinating sequence shows him curing a leper.

"THERE HAVE been goodly numbers in attendance for the preceding films in this series," said Dr. Homer J. Armstrong, minister of the church. The public is invited to this and other showings from Wednesday in Wednesday through July and August. The showings are presented in the fellowship hall in the church. A brief devotional period precedes each film.

Park

(Continued from Page 8-B)
nites combine the festivals into one—then hold it in Detroit which has the proper facilities and experienced directors. Now this sounds constructive.
The writer would not by word or thought try to upset this annual effort to bring to us these better things, improve our minds and our thinking. Surely our toils need relief from time to time from their workings, dull TV's, clubs, vodka and schweppes. A great many would no doubt come from festivals. But not to our Shain Park. One would, though, wish the 1961 festival transferred. And if not, to Detroit then to one of our major parking lots, equipped for rough treatment. The drivers of great stake holes would be in more trouble than in Shain Park but a way could be found to get buildings up.
