Heat your home this modern way

It's almost like magic... no heater in basement or attic and no heating ducts! The new R&M-Hunter ELECTRIC BASEBOARD replaces the regular baseboard in your home to give you the cleanest, safest and most healthful heat ever. Enclosed heating elements radiate warm air and circulate it where it's needed... from floor level upward and from wall to wall. Built-in thermostats give you heat control in each room, for added comfort and savings on heat bills.
