Got the Message?

"Drive carefully—constantly" is the cue for a pleasant summer for youngsters and drivers, Birmingham's public schools close for summer vacation this month and police Chief Ralph Moxley advises adults to teach young people traffic safety and, when driving, to be on the alert for the bouncing ball, the skipping figure and the swirving bike. Make Michigan safe for children.

LATHRUP—The village square dance club wound up its season with a smorgasbord dinner recently at the Northbrook school. The eight-year old group elected new officers. They are Mr. and Mrs. Richard Anderson, co-chairmen and Mr. and Mrs. Robert Ofenstein, membership chairmen. Current treasurers are Mr. and Mrs. John Paulus and chairmen, Mr. and Mrs. Charles Pollard.

Smorgasbord arrangements were handled by committee members Dr. and Mrs. Wendell Doering, Mr. and Mrs. Ofenstein, Mr. and Mrs. John Leever and Dr. and Mrs. Frank Lerminey.

2 S'field Suits Wait For Court Dates

SOUTHFIELD—Court dates are yet to be set for two suits brought against the City of Southfield by Lockwood Construction and the Birwood investment company. James C. Allen, Southfield city attorney, stated that the litigation involves side yard and cubic foot regulations in the Southfield zoning ordinances.

Lockwood claims the regulations are unreasonable and that he should be able to put smaller houses on more of the land. Inasmuch as the cases have a relationship, Allen feels they may be consolidated.

The proposed new zoning ordinance may provide a cure before the suit is tried, Allen stated. The suit, filed in April, names Harold Helper as a defendant, also.
