Greener Lawns Don't Just Happen

That's the man who swore he'd never do a thing to the grass but mow it! First time he saw me walking the Scotts Spreader he laughed—you know the way they do. But when he actually saw the way the grass got greener and thicker, and how easy it is to put TURF BUILDER on, he took to it himself. Now you should hear him brag about the lawn!

More and more folks are coming to us for advice on improving their lawns through an easy-to-use Scotts Program. Come in anytime. We'll be glad to prescribe the correct Program for your lawn.

Save \$5! Scotts Spreader (16.95) plus Turf Builder (4.75) both only 16.70!
