

**State Drivers Get New Type License**

The next time a driver gets his license renewed he'll find it has a new face. Instead of the old white and black operator's license, a brand new black on gray license printed on safety paper which cannot be successfully defaced or falsified will be issued, according to Ralph W. Moxley, Chief of Police.

In addition to a new license a driver will receive an attached pocket-sized synopsis of the Michigan traffic violation point system and a short resume of the financial responsibility law.

**Independent Voter Wooded in Oakland By Nixon Group**

Mayor George W. Kuhn of Berkeley is heading a drive in Oakland county for Volunteers for Nixon, the vehicle the vice-president is aiming at the independent voter.

Kuhn said community leaders are being recruited to serve as city chairmen. They purposely are men and women who have no publicly known connection with the Republican party.

This campaign will be directed toward the independent voter, who Nixon believes will be a deciding factor in a Republican victory in the fall.
