

R&M-HUNTER Electric Baseboard Heat

Heat your home this modern way

It's almost like magie . . . no heater in basément or attic and no heating duets! The new R&M-Hunter ELEC-TRIC BASEBOARD replaces the regular baseboard in your home to give you the clean-est, safest and most healthful heat ever. Enclosed heating elements radiate warm air and circulate it where it's needed . . . from floor level upward and from wall to wall. Built-in thermostats give you heat control in each room, for added comfort and savings on heat bills.
