Pilots Find Gilbert Lake A Slick Landing Strip

GILBERT LAKE—The frozen surface of Gilbert Lake served as a landing strip last week for two airplanes when the pilots came to call on the Jim Peabody's of Lane Lake road. Everyone around the lake enjoyed the sight. One person remarked, "They were so close landing and taking off together."

The planes were piloted by Mrs. Peabody's cousin, Carlton Pythe, and a friend from Fort Huron. They drop in on the Peabody's every now and then. But last Tuesday was very special—it was Susan's seventh birthday. She celebrated at a party Saturday. As a special birthday treat she was allowed to take her very first plane ride.

Mrs. Farno Green of Blandford road recently entertained members of the Dixie chapter of the Laided Daughters of Confederacy. Following a book review, Mrs. Green entertained at a late dinner party for eight of Green's business associates and their wives.

Weekend before last Gallaudet took Tommy and Michele to Otsego. Leaving Michele at the club for ski week, they returned home to attend to Mr. John, 9 and Philip, 3.
