THE BILLBOARD

BLOOMFIELD HILLS HIGH By Mike Zweig

Well, 95 Per Cent Is an 'A'

Happy days — with the help of many students and area residents, the goal of \$1,000 for the Foreign Student fund has been nearly achieved. We are about \$50 dollars shy, and hope to hit the mark with the several remaining 50 - star American flags and a few appropriate bake sales.

We would like to thank the members of the Student council who worked in the sale of flags and Pancake supper tickets, and also the public for supporting the drive and making last week's Pancake supper a success.

The remaining few flags are temporarily available at the high school, and orders will be taken by phone while the supply lasts.

Here and there Membership in the Hi-Y has been frozen for the remainder of the semester. All members are in the YMCA and may use the facilities of the "Y" any time.

The boys are still playing basketball and hockey, but are awaiting warmer weather to start baseball. John Weber and Mike Zweig travelled to Seabolt recently to debate against Northville in district nine, RHHS, first in the first round, after having drawn the negative position. Northville went on to defeat Seabolt's own team on the same day.

Very little action has come to the school in the last week or so. The basketball season over, there will be no major athletic activity until spring sports.

The Barons, who played their last regular game a first W. Bloomfield, were sparked by Tom Maron to a 62-55 victory.

Maron accounted for 25 and ended the season with the highest point total in the school's history. However, the team was eliminated from tournament competition when W. Bloomfield avenged itself to reverse the score, beating the Barons 62-55 the following Tuesday. Again Maron was high man of either team with 22.

The sophomore class presented a dance "The Snow Flurrie," on Feb. 2. Those attending danced to the music of the Vicounts.

The various clubs around the school were busy making plans and doing things. The French club will tour University of Detroit language labs as guests of Dr. Conson of the university.

The book club is preparing to dig into Ecclesiastes from a secular as well as religious viewpoint.

Dateline Derby

Strong Voices Shouted Way To Victory

By BRENDA DRUMM

Derby's gym shook to the rafters during the pep assembly which enthusiastic Derbyites cheered their team on to victory in the all-star game with Barnum at Seabolt high school.

In honor of the game, a pep assembly was held Thursday afternoon to encourage students to attend the exciting game.

Ninth-grade co-captains, John Slater and Jack Harvey on behalf of the team, presented a cardigan sweater to Coach Keller, eighth-grade co-captains, Bob Heavens and Ken Skover presented a gift to Coach Faylor, and also, Pat Fairbanks, representing the cheerleaders, gave a gift to Miss Warner, pep club and cheerleader sponsor.

Despite the poor weather, many students witnessed a thrilling game as Derby's ninth-grade all-stars beat Barnum's 35-30.

It was a tight game all the way as Derby jumped to an opening lead and Barnum quickly caught up and surpassed Derby with a 15-13 half-time lead. Derby came back strong in the second half for an expected victory.

High scorers were Jack Harvey, scoring 13 points and John Slater, scoring 11.

The eighth-grade team did very well, also defeating Barnum, 38-31.

We are proud to say Derby's teams now hold the official Junior High All-City championship. We have certainly had a winning and successful year.

The language classes are planning to see the movie "Bon Hur" Saturday, which is playing in Detroit.

Under the capable guidance of Mrs. Pierce, language instructor, the language classes have enjoyed many events such as "Ben Hur," "Cinema," and the Roman banquet. (Word of a Spanish fiesta has gone around.)

Mrs. Pierce's assistance in these events has furthered interest in foreign language at Derby. We certainly thank her.

A Cum Laude At Mid-Year

CRANBROOK — Thomas L. Boynton, son of Mr. and Mrs. Robert L. Boynton, 275 Yorkshire, Birmingham, is one of five seniors initiated into the Cum Laude society at Cranbrook school. The honor was awarded at a recent school assembly.

Speaker at the exercises was Dr. Dwight B. Ireland, Birmingham superintendent of schools.

Cum Laude in secondary schools honors high scholarship as Phi Beta Kappa does in colleges and universities. Acceptance at mid-year is especially difficult since only students with the highest grades are admitted then. A few others will be accepted at graduation.

The four other Cranbrook students named to membership are John J. Hartman and Stewart L. Colten, both of Detroit; Robert David Storiway, Pontiac, and Rogey J. Rothensperger, San Clemente, Calif.
