Walnut Lake PTA To Meet March 14

WALNUT LAKE—Election, displays, teachers' reports and millage will be covered at the March 14 Walnut Lake school PTA meeting.

Miss Margaret Phillips will speak on her program; a general progress report of the entire school will be given. This will be a mid-year account for parents.

Since PTA elections will be held at this meeting, it is important that parents be present to select their officers for the coming year.

A question-answer period will follow the discussion. Refreshments will be served and the second grade rooms will present a special display for parents. All parents are urged to attend this important meeting.
