# Spring into Color!

The American Institute of Men's and Boys' Wear "color guide" for spring 1960 offers some accepted variations on the usual color themes and combinations. Because of the popularity of olive-toned suits, three of these shades are included. When blending with the new strongly-

patterned suites, it is best to hold your accessory patterns to the subdued. Plain or subtly-patterned suits, however, will benefit from strongly-patterned shirts, ties and handkerchiefs. The same applies to suits and topcoats. As a general rule, "plain with pattern" is a safe guide.

SUIT	SHIRT	TIE	SHOES	HAT	TOPCOAT	GLOVES	HDKER-CHIEFS	SOCKS
Olive Blend with Blue	Blue	Blue with Green and Gold	Medium Brown	Olive Mixture	Natural Camel or Covert	Dark Brown	Green or Blue Silk Paisley	Blue or Olive
