4 Miles B'ham Streets Up for Roadoiling Consideration

Nearly 14 miles of Birmingham streets are scheduled for various phases of roadoil treatment this summer, according to an outline prepared by the city engineering department this week.

to an outline preparet of this week.

Costs will be the same for light considered at a June 6 public considered at a June 6 public var. However, the seal coat treatment will be 22 cents per front foot, two cents less than last year.

Light TOLL LIGHT OIL LIGHT OIL LIGHT OIL LIGHT OIL LIGHT OIL

COMMISSIONER Charles Ren-rew believes reductions may be ossible on this these costs. He said he city recovered more money hrough last year's assessments
