SEAHOLM Was awarded a certificate by Dartmouth as the second highest ranking school IN THE COUNTRY on the basis of our graduates' grades there. The performance of our graduates at all colleges is well above average, as PROVEN by our college follow-up.

NO ONE has ever been graduated with less than 16 hours credit. EXCELLENCE of physical education. We have been concerned with the quality of our final product for a long time.

STEAM LOCOMOTIVE fans will always look back at that last run and see in its crowded corridors proof of their contention that the railroads should save a few iron horses as long as practicable and operate special excursions to keep alive an important part of American history.
