**BRENDA DRUMM**  
It's May, and once again the student council officers for the following year are in the process of being elected.  
Students in the seventh and eighth grades with "B" averages and no threes on their report cards qualify to run for one of the four offices: president, vice president, secretary, and treasurer.  
Each candidate after qualifying then must produce a petition con-

taining 100 signatures. After this he is free to campaign as candidates have been doing this week.  
The election assembly took place this morning, the candidates and their campaign managers presented election speeches.  
Tomorrow, during homeroom, seventh and eighth-grade students will be voting for their future officers.  
Speaking from experience, I can truly say running for office is a wonderful experience, win or lose.

We did it! We got our malt machine! The delicious 10 ounce mals are 15c apiece and you may purchase one if you have a substantial lunch in addition to the malt, itself.  
Members of the student council and several other students have been operating the machine.  
On April 29, Mr. Kees sponsored Derby's second annual stamp fair, which was from 5 p.m.

until 10 p.m., was held in the lobby near the cafeteria. Many valuable and interesting collections were displayed.  
The adult prize was an explanation of the United States stamps and a collection of German Regulus. The student prize was a collection of first day covers of famous Americans.  
Tomorrow promises to be Derby's day of woe, Friday the thirteenth and report card day! Cheer up Derbyites, it only comes once this year!
