OAKLAND COUNTY DEPARTMENT OF PUBLIC WORKS gard to sereening 'he north side of its lot, and had completed draw-ings of a six-foot-high decorative stained plywood veneer fence. This was assumed to be training satisfactory means of screening residential areas, and thus believed to comply with ordinance require-ments.

ments.
Commissioners pointed out to the residents that the tenants were new and that the development of the property was not completed.

were Belleve we have constructed a beautiful building, and praise of it, too.

"Naturally, we do not intend to be in violation of any city ordinare, and expect to do everything terprise acceptable to the residents of the area."

The question was turned over the construction of the area.

The question was turned over the construction of the area.

Gare had already talked with the heads of The Eccentric and four them ready to cooperate in arrive the situation, he told the commission and audience Monday night.

the property was not completed.

COMMISSIONER Harry M.
Denyns told those present that a
high light-proof fence has at times
proved more effective in screening
light and noise than a greenbelt.
