Servant Of The People

Now, after Michigan Week — with its emphasis on all of the things for which this great state of ours is famous, is a good time to consider the vital importance of the motor truck. . . Here is a servant of the people which does indeed serve everyone: the farmer, the business man, the retailer, the housewife, the vacationer, the boy or girl at school.

Everything you eat, wear, or use travels all or part of the way to you by truck. Yes, trucks are as much a part of Michigan as its vast productive capacity, its beautiful scenery, its great educational facilities, its fine people.
