Troy's city commissioners expect to study possible swimming pool ordinances for another week. Five different ordinances have been submitted, regulating construction, operation and membership of private, non-profit pools.

The planning commission recommended approval of such a pool two months ago, but city commissioners have not reached agreement upon an ordinance. A fifth ordinance was introduced by commissioner Louis Yanich on Monday night, May 9. It was suggested by a resident.

"I'm Buying Growth Securities, Here's Why"

I'm not a young man anymore and have to think of my retirement. I know that in these inflationary times my company pension and social security benefits won't begin to match what my job pays me. That's why I'm investing my surplus income in the stocks of growing companies. By the time I'm ready for retirement, I anticipate my stocks will increase substantially in value to help give me economic security and extra income from dividends.
