Lebow Clothes

SYMBOL OF QUALITY

One might say that no man has really arrived until he owns a Lebow suit. We admit that there are other standards, but men who arrive in Lebows certainly arrive well-dressed.

It is part of the nature of Lebow hand-tailoring and fashion-awareness not to be blatant. The curve of the clover lapel, the grace of a sleeve head, the "hand" of a fabric—these are subtleties. Yet they mark the distinction between mediocrity and magnificence in clothing.

You judge the distinction. Hold trial in our Lebow department tomorrow.
