## Mrs. John Leigh Feted At Surprise Shower

BRAES — Mrs. John Leigh was pleasantly surprised at a baby shower given by Mrs. E. S. Maund and Mrs. John Kodrich at the Maund home on Darranor road. The unusual decoration centering the table was a carpet of baby tears interspersed with tiny baby toys.

Mrs. Leigh was presented with a corsage of Fuji mums in a delicate yellow, a color used in the decorations throughout the house.

WALNUT LAKE — Mrs. John Bell of Putnam drive left Monday to visit her daughter and son-in-law Mr. and Mrs. Cass Brovarney of Chicago.

Bell and daughter Joyce plan on joining Mrs. Bell for Thanksgiving.

Members of the Ofenstein family will gather at the Putnam road home of the Julian Ofenstein to celebrate Thanksgiving.

BRAES — Wayne McCane returned recently from a successful pheasant hunting trip near West, South Dakota.

Also hunting in South Dakota was Otto Winkelmann of Old Orchard drive.

Another Braes hunter who has returned home was K. W. Mills of Eastmoor road who with his brother Don, was hunting deer in Northern Michigan.

Mrs. K. W. Mills entertained members of the Greater N. Woodward Opt-M on Nov. 3 at her home on Eastmoor road.

Mrs. Robert Kreuz, who was hostess to three members of the Indiana University Choral group during their recent appearance at Groves Junior High school, entertained at an after-glow for some 40 group members, and their friends at her home on Braemoor Trail, following the Wednesday

evening concert. Gathered informally around the piano, these musical college students enthusiastically sang college songs, humorous numbers and some of the old favorites.

## People's Column

### Bagwell Says Thanks for Your Votes

To the Editor: I would like to avail myself of your Letters to the Editor column to thank the many people in your community who voted for me for governor in this past election.

It is a source of personal satisfaction to me that the people approved the program I presented on taxation and government reform even though I lost by a very narrow margin. In this respect, I believe that this was a constructive election campaign which accomplished a great deal of good for the general public interest.

It is impossible to thank each of 1,600,000 voters personally, so I am taking this means to say thanks for your help to all those who voted for me. I am deeply grateful for the confidence they placed in me, and I hope now we will all work together to make this a better state in which to work, to live and to raise our families.

Sincerely,  
PAUL D. BAGWELL

## Thanksgiving

We plow the fields, and scatter  
The good seed on the land,  
But it is fed and watered  
By God's almighty hand;  
He sends the snow in winter,  
The warmth to swell the grain,  
The breezes and the sunshine,  
And soft refreshing rain.

We thank Thee, then, O Father,  
For all things bright and good,  
The seedtime and the harvest,  
Our life, our health, our food;  
No gifts have we to offer  
For all Thy love imparts,  
But that which Thou desirest,  
Our humble, thankful hearts.

All good gifts around us  
Are sent from heaven above;  
Then thank the Lord, O thank the Lord  
For all His love. A-men.
