### HERE IS A NEW AND BETTER LOW-PRICE CAR —WITH A 12-MONTH OR 12,000-MILE WARRANTY

You're looking at the newest car in the low-price field...the Mercury Meteor. But the resemblance to other low-price cars ends with the price.

**COSTS LESS TO DRIVE!** You save on upkeep. Your Mercury dealer is extending his warranty on all 1961 Mercurys to one full year or 12,000 miles, whichever comes first. See him for full information. He will be glad to show you a copy of his new warranty.

You save on gas. Mercury's new, wider choice of engines and transmissions lets you tailor your new Meteor to your kind of driving. Choose super economy, super power, or any combination in between. And just think of these 7 other savings: A new pre-lubricated chassis lets you drive 30,000 miles before it needs another lubrication. A new-type oil filter lets you drive 4,000 miles between oil changes. Mufflers are aluminum for more than double the life. Brakes are self-adjusting.

New zinc-coated body panels protect your car from rust two or three times as long. Spark plugs are self-cleaning, save gas. A special Super-Enamel finish never needs waxing.

**LOOKS BETTER...AND IS!** The styling and size are completely new. Trimmer, easier to garage, far more agile. You get a de luxe interior in every model at no extra cost.

**FEELS LIKE MORE!** Here's the first low-price car to provide a true "fine-car feel." Not just shock absorbers and springs for your riding comfort, but a unique new system of rubber cushioning called Cushion-Link suspension. It's exclusive to all Meteor 800's, Monterays, and Mercury station wagons. No more bumps from tar strips and other road-surface irregularities.

Don't miss the first showing! See your Mercury dealer now. Here, without question, is the newest and smartest buy in the low-price field.
