SEAHOLM HIGH

Scholarship Program Semi-Finalists Named

Names of the 19 semi-finalists in the National merit scholarship program, all seniors at Seaholm high school, were announced this week by principal Ross A. Wagner.

These students, eight girls and 11 boys, are among the 10,000 high scoring students on the National merit scholarship qualifying test. It is a test of educational development that is given in more than 15,000 high schools throughout the United States and its territories each spring.

Seaholm's semi-finalists include Jan Brundage, James Bryan, Margaret Chamberlain, Theodore Eger, Robert Emmett, Jan Griffith, John Holmes, Michael Hughes, Joyce Kellar, Clayton Lewis, Joyce Mcracken, Margaret M. L. e. o. d., Jack McHugh, Michael Morden, William Olmsted, James Posner, Sally Ryden, Peter Wade and Linda Wells.

Another rigorous examination, the three-hour scholastic aptitude test of the College entrance examination board will be given to these 19 scholars along with other semi-finalists on Dec. 5.

Students whose scores on the second test substantiate their performance on the qualifying test, and who are endorsed by their high schools, will become finalists in the competition. In past years, more than 95 per cent of the semi-finalists have become finalists.

As finalists, the students will be eligible for scholarship awards sponsored by 115 business and industrial organizations, professional societies, foundations, individuals and the National merit scholarship corporation itself.

In the final phase of the competition, the high school grades, extra-curricular activities, school citizenship, and the leadership qualities of the students will be evaluated along with the test scores.

About May 1, 1961, the names of the Merit scholars will be announced. The exact number will depend on the extent of sponsor support of the Merit program.

Figures for the 1960 activity ticket sale at Seaholm have been released by Mrs. Carol Darling, director of extra-curricular activities.

The overall percentage was 84.7 per cent compared with last year's 86 per cent. There were 1,452 tickets sold by the 1,714 students who attend Seaholm, for a cash total of \$8,712.

Leading the classes, percentage-wise, were the sophomores with 92.9 per cent. Their class of 527 sold 490 tickets. In second place, are the juniors who sold 383 tickets out of 463 class members.

Finishing third with 81.2 per cent sales, are the winning seniors who sold 579 tickets. There are 713 seniors enrolled.

The tickets enable the bearer to attend all home athletic events, all assemblies, two dances, the spring play and receive all issues of The Highlander during the school year.

Ten students out of each of the three classes at Seaholm have been elected to the Assembly club. The ten seniors are Barb Chapman, Mary Gillen, Sally Cunningham, Hap Dunn, Stew Harney, Bruce King, Gail Lopata, Judy Lucas,

Becky Black, and Marcy Bullock. The juniors are Francis Baldwin, Cheryl Richards, Sally Bowering, Steve Callister, Greg Frontier, Sue Hobbswhite, Jane Hubbard, Wendy Hutton, Sally John, Francis Quilian and Betsy Schminik. Sophomores elected are Kathy Boucher, Diane Bradford, Andy Craig, Judy Downey, Pat Fair-

Summer's Over, Rover; Let's Settle Down

By **BOB HUGHES**

With much weeping and gnashing of teeth, Cranbrook students have returned from various summer pleasures to begin another term. The 100 students who are new to the school this year have completed the running-in-circles stage, and have entered the period of ordered confusion.

Two students come to Cranbrook this year on exchange scholarships: Finn Larsen of Denmark is studying on an American field service grant and Peter Cumming of Yorkshire, Eng. visits us on an International schoolbody fellowship provided by the English speaking union.

Eleven Cranbrook seniors are among the 461 Michigan students who received semifinalist rank in the National merit scholarship competition. Compromising one-sixth of the senior class, they are: Bruce Berry, Gregg Carr, Joel Cohen, Mike Hilder, Bob Hughes, George Martin, Jeff Mitchell, John Ogden, Ken Roberts, Rick Russon, and Matt Stolper. Cranbrook placed two seniors in the top four in the state, and four in the top 20.

Head Prefect Jeff Fisher is telling strange and wondrous tales of his summer in Karachi, Pakistan, on an A.F.S. grant, while Boris Nicolof, who graduated last spring, the city of Southfield ever compiled is now being distributed by Southfield high seniors.

Published over a two-year period by members of the school's government classes, the manual has special sections on Southfield's history, government, schools, transportation, industry, communication, amusements and churches.

Sponsor of the booklet, entitled "Spotlight on Southfield," was instructor James Owen, who coordinated the efforts of the 1959 and 1960 classes.

The manuals are being sold at Southfield high school and at Hudson's book department.

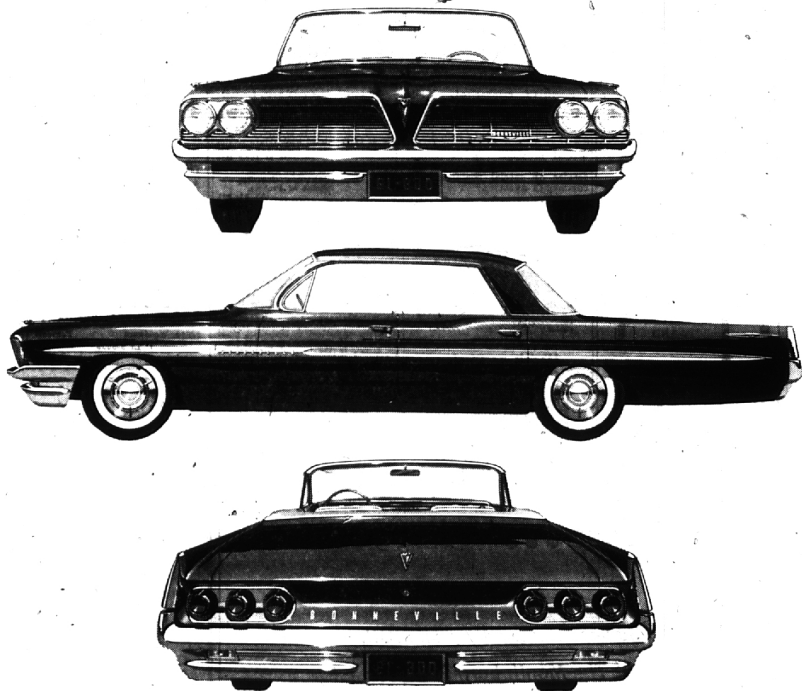

The Kingwood-Cranbrook church cabinet has already sponsored three social events. An exchange dinner was held on Friday, Sept. 23, before the Groves-Cranbrook football game. The annual get-acquainted dance was held in the Cranbrook small gym the next evening.

THE '61 PONTIAC IS OUT TODAY!

It's All Pontiac! on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac is the only Wide-Track car. Body width is reduced, shaving side overhang, balancing more weight between the wheels. Best relationship of body width to wheel width ever tailored. Lean and sway are ancient history.

Announcing the new Pontiac Trophy V-8 Engine! We've improved the engine the experts said was perfect. New fuel induction system saves gas by using more air in the gasoline mixture. This makes the engine breathe more efficiently, giving you better acceleration. Eleven versions to choose from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas.

More headroom, legroom, footroom for greater comfort! You'll take great comfort in the extra roominess we've built into the '61 Pontiac. Seats are higher, yet there's more clearance beneath the steering wheel and more hatroom over your head. There is more legroom, more footroom. Doors are wider and designed to swing open farther. The more highway you put behind you (Pontiac specializes in this) the more you'll appreciate the new room that's all around you in this sleek new '61.

THE ONLY WIDE-TRACK CAR! Body width trimmed to reduce side overhang. More weight balanced between the wheels. No other car hugs the road with such sure-footed stability and precision.
