## AMONG OTHER THINGS

there will be four Saturdays on which you are specifically invited to our store to participate in "the acquiring of" and "learning how to use" DRIED MATERIALS, GREENS, CONTAINERS, etc. for fall, Thanksgiving and Christmas decorations for your home.

The "learning how" part will be presented by Mrs. Frank (Anna Belle) Webb who is indeed an artist in the "putting together" of color and materials with a real feeling for the spirit of the seasons.

- SATURDAY, OCTOBER 22nd.
- SATURDAY, NOVEMBER 19th
- SATURDAY, DECEMBER 10th
- SATURDAY, DECEMBER 17th

More details will be given in this column as the dates approach.

Wouldn't waste much grass seed from now on. If early spring results are required wait until after November 15th and then make a DORMANT SEEDING.

Do your BULB PLANTING IMMEDIATELY (except for tulips which are planted October 15th or later). BUT, buy them now or you will have a thin selection in a couple of weeks.

Take advantage of the TORO lawn mower DEAL now. With any TORO ROTARY mower you get a \$19.95 super leaf catcher and tote cloth for naught, zero, 0, nothing.

Sometime this month we will display for your selection.

MUNSON MINIATURES and also the materials with which you can make your own exquisite arrangements involving tiny flowers, bowls, fruits, animals, insects, and birds. These miniatures, whether you make them or buy them will provide the most satisfactory gifts of the year. They are bright, petite, gay, beautiful and inexpensive. The date of display will be about October 12th.
